My Bio - I was born in Hamilton, ON and raised in Stratford, ON. I was introduced to piping when I was 17 years old while I was taking my GMT. I joined the Argyle Sutherland Highlanders in Hamilton and performed with them for 2 years until I took up competitive roller skating when I started my career as an apprentice welder at STELCO in 1970. I took up piping again to perform at the 1986 SoCred party convention where I piped in the new Premier, Bill Vander Zalm. I continued my competitive skating until the late 90's where I hung up my skates and concentrated on my career with Correctional Service Canada. In 2004 I seized the opportunity to become a member of the CSC Regional Honour Guard and purchased a new set of bagpipes. In 2006 I joined the Langley Legion Branch 21 Pipes and Drums. In 2011 the band moved to Aldergrove where it became Central Valley Community Pipes and Drums. I became the Pipe Major for CVCPB that same year. After stepping down as Pipe Major in 2015 I joined the Mission Pipe Band. In 2016, while still a member of the Mission Pipe Band, I was asked by CSC National Headquarters in Ottawa to start a regional CSC pipe band. In February of 2017 the CSC Community Pipes and Drums Pacific Region was formed. I recently stepped down as the Pipe Major pro tem (pictured above) and am now the Pipe Sergeant and continue to be a member of the Mission Pipe Band.
