To Whom It May Concern;

On behalf of Robert Wilson, a strong and worthy candidate for your scholarship, I am writing this letter of scholarship recommendation. In the capacity of Faculty Advisor for the Student Senate, I have known Robert this entire academic year. During this period of time, I have found Robert to be a very active Student Senate President/Student Trustee and student with excellent standing.

Having recognized issues that require attention and improvement, Robert has articulated and undertaken an ambitious and remarkable agenda this year for the Student Senate. These include but are not limited to: establish a reliable stream of revenue support for the Student Senate with which it can more effectively carry out its mission of behalf of the student body; incorporate Student Senate representation of the extended education areas of the College; improve communications amongst the student body. I can say that Robert has either fulfilled these goals or have them in various stages of progress. He has also made a tremendous and effective effort to reach out to all represented areas of Shasta College, including administration, faculty and classified staff. To continue with his work started this year, Robert has expressed a strong interest in running for the President's office for next year.

Robert has managed to effectively remain not only involved with the many Student Senate activities but has also maintained excellent academic standing along with his many family and community related extra-curricular responsibilities and activities. To effectively maintain his status and effort in all of the above, Robert and family are in need of financial support. Scholarships for which he applies will definitely lend the financial support he needs in order to accomplish his academic and career goals.

I thoroughly endorse Robert Wilson as a scholarship candidate.

Sincerely,

Tom Morehouse  
General Counselor and Student Senate Advisor
