

# Wait List Terms and Conditions

By joining my paid Waiting List, you are saying that you're reasonably sure that you want to adopt a puppy from Lovell's Poodle Castle, that you're willing to wait (possibly up to 24 months, depending on your preferences), and that I should contact you personally with breeding updates and litter announcements. Choices from a litter proceed in the following order:

1. I breed for myself first, and reserve the right to keep any puppy from any litter for my program.
2. Wait List (\$200/\$500) in the order received.

The \$200/\$500 payment is **non-refundable**, but applies to the total price if/when you decide to purchase a puppy. While it is unlikely, I reserve the right to refuse any puppy placement at any time and for any reason. In the unlikely event that I decide not to place a puppy with you, the \$200/\$500 payment and any other payments will be refunded. Litter announcements will be sent to those on the wait list. Waiting List families will have 48 hours to respond, letting us know whether they'd like to adopt a puppy from this litter. We'll communicate with each person who responds "yes" as soon as we can to confirm your preferences. I'll let you know if it looks like someone higher on the list may choose a puppy that you would have chosen, to see if you might be flexible or prefer to wait. You'll keep your spot on the Waiting List if you choose to wait. In the event that we don't receive a response to the litter announcement within 48 hours, I will proceed to the next person on the Waiting List. If I don't receive a response from you for two separate litters, your name will be removed from the Waiting List, and the \$200/\$500 payment will be forfeited. Optimally, I'd like to know which puppies are spoken for and which I can make available to the public when they're about 5 weeks old. However, each litter is different, and depending on where you are in the line of choices, there may be others waiting to select their puppy after you've made your final choice. I'll let you know when I envision having your puppy matched with you in our early communication. While I give preference to choices in the order described above, please understand that I am dealing with living creatures whose lifelong welfare is my top priority. To that end, I reserve the right and responsibility to make recommendations for specific puppies and families, which are based on the hundreds of hours I spend with each litter and my experiences mentoring previous puppy buyers and their companions. I understand the procedures outlined above, and agree to join the Lovell's Poodle Castle Puppy Waiting List.
