WINTER WORSHIP AND WORKSHOP
Pigeon Forge, TN

Registration

Who may register? Singles, two ladies, two preachers, two friends or any Biblically defined, morally acceptable relationship and you can split the cost (\$138 each), or three to a room (\$92 each). Four people may also share and you do the math; but you must register at the same time.

Barnabas Ministries is obligated to pay the Music Road Hotel, Music Road Inn, and Convention Center for space. In addition, we must pay remuneration as well as hotel costs for our speakers and singers, purchase snacks, convention bags, and other commitments. Because of these costs, if you choose to make other arrangements for housing, you must pay \$100 per couple to register for the convention. It would not be fair for the Hotel/Inn registered guests to support these obligations and those off-grounds enjoy them for free.

Barnabas is tax exempt in Tennessee and this helps reduce cost. **Therefore, all arrangements must be made through Barnabas Ministries.** You may choose to arrive one day early and/or stay one day longer for an additional cost of \$55 for each day. A stay beyond Thursday will be at a higher rate, but we can work with the hotel to help keep the cost down.

Impromptu fellowship times make the Winter Worship & Workshop something to look forward to
