

MILITARY ORDER OF THE COOTIE
from the Desk of the
Grand Commander
Gary Godard

General Order #4 / November 2018

Hello Cooties,

- Tomb Trek was absolutely amazing. 460 Wreaths were laid at the Argonne Cross. The program was a true Military style program. If you have not gone, you need to. You will never forget it.
- My Commanders Special Project for the Veterans Village New Van is slow taking off. I believe 3 Pup Tents have completed an event for this. I am asking to either donate, have a fundraiser dinner or any kind of event. This Van is needed to transport our Veterans to appointments and the VA. So please support it. The form has been emailed and is on the websight.
- The Mid-Winter Ad Sheet has been sent out via e-mail. Tom Sutterfield is now doing the Ad Book. Please support the Grand. The proceeds will now be split 50/50 between the MOC & MOCA. We raised the price of the ad (Passed at Bug Swarm) to help cover the costs with the Districts gone.
- We are really behind on our Hospital Reports Close to 1/3rd of our Pup Tents have not reported any. The Grand is at 41% reported. I know the hospital work is being done. This is what we do, so PLEASE REPORT IT. If you need help, call me or any of the Grand Officers.
- Our goal is 100% in Membership. If we don't recruit, we will not reach our goal. If we don't grow we will slowly disappear. LET'S GET TO WORK.
- The Recruiting Table at the VFW Fall Conference was a Success. We need more help working the table at the VFW Mid-Winter. Please let me know if you can help.

CONTACT ME ANYTIME. I MEAN IT, ANYTIME. I'M HERE FOR YOU.

Have a Lousy Cootie Day and **"See You in the Funny Papers"**
