

MILITARY ORDER OF THE COOTIE
GRAND OF FLORIDA

July 14, 2023

Cooties, LISTEN UP!

I am humbled by the honor you have given me by entrusting the Grand of Florida into my care for the coming year. My fellow officers and I are always available to the membership to assist in any way we can.

Let us always be mindful of the fact that we are first members of the Veterans of Foreign Wars. We became Cooties so that we could help and support our parent organization and help fellow veterans, especially those in need.

It is my intention that the Grand MOC will work closely with the Grand Pup Tents in doing all we can to help and support veterans. To that end, my focus this year will be on the Pup Tents. The Grand is a reflection of the local Pup Tents. We will ensure that the Pup Tent's good works and knowledge is highlighted and that their successes and experience is made available to each Pup Tent. We will facilitate interaction between Pup Tents for their hospital events and fun activities.

Being a Cootie is a wonderful thing! We should share that wonder with all.

C. SUPREME SCHOLARSHIP FUND: \$1.00 per member

D. GRAND HOSPITALITY ROOM FUND: \$1.50 per member

(One delegate = 10 members or fraction thereof) These fees will be added to the PT Obligation form provided to each Pup Tent by the Grand Quartermaster during the month of July or early August.

Supreme Convention: Advance registration fees as determined by Supreme Headquarters. Currently all Pup Tents must pre-register 1 delegate to Supreme. This Registration fee will also be added to the Pup Tent Obligation form provided by the Grand Quartermaster who will forward these fees to Supreme and the Delegate submitted will be the Pup Tent Seam Squirrel unless the Pup Tent submits another name to the Grand QM at the time the fee is paid.

BUDGETS

11. The Supreme and Grand operate on a Budget each year which is generated by estimating the amount of money the Supreme and Grand hope to receive through membership dues, Pup Tent obligations and other fund raisers planned throughout the year. When these expected funds are not received, then the Supreme and Grand must find ways to make up the shortages. These fund shortages are the biggest problems faced each year and are why it is so important for all Pup Tents to make a maximum effort in collecting dues from their annual members and to pay their obligations as quickly as possible. For the Grand to meet their obligation in sending Supreme these funds, it must have received them from the Pup Tents on a timely basis.

Any proposed changes in the approved budget must be referred to the Grand Budget & Finance Committee for recommendation to the Grand Council of Administration prior to the Grand Council action.

JUDGING FOR AWARDS

The time frame of judging for Grand Awards will be from June to the end of April. The Grand Awards judging will be completed within 30 days following the end of the award year (April 30) and the awards presented at the Grand Convention in June. **The Grand Jr. Vice Cdr. will be responsible for conducting the judging and getting the awards made.**

Awards will be given out in the following categories:

- a. The outstanding Pup Tent in each Grand Membership Division
- b. The Pup Tent which has reported the most Hospital work will qualify for the outstanding Grand Hospital award, based on quota.

13. Pup Tents **WILL NOT** receive credit for any pledges not sent through the Grand Quartermaster.

14. At all Grand Council of Administration Meetings/Scratches and at the Grand Scratch/Convention, **ALL FINES** received will be counted by the Grand Quartermaster and members of the Grand Budget & Finance Committee at the close of the meetings and the amount recorded.

15. The Grand Commander shall convene a meeting of the Grand Officers, both elected and appointed, Seam Squirrels, CCDB's and all interested Cooties within three (3) months following installation for the purpose of holding a School of Instruction (**BUG SWARM**) The Bug Swarm will

normally be conducted during the Fall C of A. This will save the membership the cost of attending two scratches versus only attending one.

16. A Fall Council of Administration meeting shall be held each year between September 1 and October 31. (Every effort will be made to hold this meeting in the month of September). A Mid-term (Winter) Council of Administration meeting shall be held each year between January 1 and February 28 (February 29 during a leap year). The exact dates and meeting place as directed by the Grand Commander subject to the approval of the Grand Council of Administration or the Delegates at the Grand Scratch/Convention.
