

MILITARY ORDER OF THE COOTIE

**From the Desk of the
Grand Commander
Tom Sutterfield**

General Order #1

2020/2021

The time has arrived and I am truly excited to be your Grand Commander for 2020/21.

We need to accomplish as much as possible to improve our membership, our relationship with the VFW and spread the word to all VFW Members of what we do for our Veterans.

At our Bug Swarm/Council of Administration, we will be having our School of Instruction. It will be very educational and very informative. We have a great location with plenty of room for our training and believe me it will be well worth attending. The Ft Walton Post conference rooms have seating for over 500 people. We will have plenty of room to social distance while continuing to have fun and conduct our business. This area is one of the safer Covid areas in Florida and is probably safer than the areas from which we are coming.

VFW Post 7674, 213 Carol Ave NW, Fort Walton Beach, FL 32548

The conference starts at 9:01 AM on Saturday, September 12th. I'm checking in on the 11th. Checking out on the 13th. Some others are coming in a day earlier so they can visit the area.

The post has room for 2 RVs. Hook-ups are not available. If you would like to park an RV at the post, let me know and I will check availability for you. Many visitors use the RV camp at USAF Hurlburt field.
