

MILITARY ORDER OF THE COOTIE
From the Desk Of The
Grand Commander
Tom Sutterfield

General Order #3

2020/2021

The old year is ending and we look forward to a new beginning. During the past year we experienced hardships, personal sufferings and great loss. I know we are all hopeful that the New Year will bring us the peace and normalcy that we sorely miss.

During the New Year we need to accomplish as much as possible to strengthen our membership, our relationship with the VFW and continue our support for our Hospitalized Veterans.

At our Mid-Winter conference we will be reviewing many topics of interest to Cooties. How to better support our hospitalized veterans remains our primary focus. Ensuring all VFW members are aware of our deeds and our mission is also important. The conference will be educational and very informative. We have a great location with plenty of room and it will be well worth attending. The conference rooms have plenty of seating. We will have ample room to social distance while continuing to have fun and conduct our business.

The conference starts with the MOC/MOCA Memorial service for those Cooties we have lost over the past few months.

The conference starts at 9:01 AM on Saturday, January 16th. I'm checking in on the 14th. Checking out on the 17th. Some others are coming in earlier so they can visit the area. **I look forward to seeing you there!**
