***Includes Fundraising Basket Table at Grand Meetings**

Newly Appointed Supreme Events Coordinator

Tomb Trek – An annual trip coordinated through the Supreme Military Order of the Cootie and its Auxiliary. Each year in the beginning of November, “Cooties” assemble at the National Cemetery in Arlington, VA and place wreaths on the graves of our departed military members. After this event, there is a Supreme Council meeting.

National Home for Children and Families Christmas Party – Annually, the Grand of Florida participates with the National Home’s Christmas festivities. The Grand of Florida is charged with the preparation and serving of food to the employees of National Home along with others and assists with the distribution of gifts to celebrate Christmas with the residents and staff.

These above two events are highly regarded throughout our organization and participation is encouraged from our Florida membership.

This year, I have asked Debbie Thie to fill this newly created, important informational position for our Grand 2022-2023.

Thank-you, Debbie for accepting this assignment and looking forward to learning more about these essential events.

GRAND

Reporting Forms

The following pages are samples of report forms to be used by each Auxiliary for transmitting donations to the Grand or Supreme and reporting volunteer activities. These forms are included for your reference and use when reporting respective programs. Further detailed instructions can be found in the Supreme Program Book as issued each year by our Supreme organization.

Reporting to the Grand Program Chairman is to be completed, mailed and received by the respective Chairman according to the cutoff dates each month. The Auxiliary's reporting should be considerate of the timeframes so the Grand Chairman has sufficient time to submit their summary reports to their Supreme Chairman in time to meet their reporting schedule.

Should you have any questions on reporting, check with your respective Grand Program Chairman first. Should additional clarification be needed, please contact the Grand President with your concerns. Immediate response to your inquiry may not always be possible, however, your questions and concerns are important to your Grand Chairmen and Officers and will be answered in the most timely fashion.

Direct Program questions should go through your Grand Chairman first, this will allow the Chairman to resolve your concerns most efficiently. Your continued participation in our organization's programs is greatly appreciated not only by the MOCA, but further by those your generous donated monies, hours, and resources affect directly. Those persons in our hospitals, National Home, and communities greatly appreciate your generosity.

Have a Fun Time as you participate in these programs and remember those in your hospitals and communities where you "Give sunshine" to each day.

Please reference following sheets in Program Book and have a Happy time sharing your joy.

Louise Koser
