

Nursing Home Visit ~ St. Augustine (Sept 6) @15:01

14:45 ~ Arrive at the Clyde E. Lassen State Nursing Home at 4560 State Road 16, St. Augustine, FL 32092

15:01-16:01 ~ Visit with the veterans and do a raffle with them (approx. 15 - 20 veterans will be present).

- **The veterans will be finishing up playing bingo at 15:00 and will be starting supper at 16:30. We have a short window to show our colors and set a good example of what the Cooties and Land Bugs can do for our veterans.**
- **We were asked not to bring food items (cake or ice cream) as most will be eating after we leave, and they are on strict diets by their doctors.**
- **There are six female veteran residents at their facility. We might be able to go around and visit them if they do not come up to the meeting hall.**

Thank you all for participating in this endeavor!
