Supreme Seam Squirrel's Message

Listen up Cooties,

As your Supreme Seam Squirrel for 2024-2025, I Robbie A. Normand pledge my unwavering support to our lousy organization and our parent organization, the VFW. I am here to serve the membership and I am truly grateful that you have selected me to lead. Our strength is in our numbers, and I look forward to another year of growth.

First and foremost, we are all members of the VFW, and we only grow our seams from the membership of our parent organization. I applaud those that have great relationships with the VFW and implore those that don't have the best relationship to focus on what we can do to bridge the gap and build more cohesive communities. This goes for relations with other organizations as well. Be it the VFWA, MOCA, or the many other veterans service organizations. We all have the same goal, together we form a stronger front.

Furthermore, I ask that we communicate amongst ourselves. Grand Commanders reach out to each other and coordinate events. No grand operates in a vacuum. I ask that you communicate and try to coordinate events so that others can participate. The VFW does a great job a building a combined "Class mentality" amongst Department commanders.

Lastly, 2025 marks the 100th anniversary of the National Home and there will be many events throughout the year to celebrate this momentous occasion. If you have never visited this would be a great opportunity to make the trek to the National home. Also, if you've only been to Cootie Christmas, it gives an excuse to visit when it's not cold.

My best wishes to all for a very lousy year to come.

Yours in L.O.T.C.S.

Robbie A. Normand

Supreme President's Message President 'Patches' Presfield

HOLY BUCKETS!!

The 24-25 year is upon us. I feel that I am ready and here I come...

First off, I would like to thank my MN Grand for the support they have given me through the years. I can't forget the whole of the MOC and MOCA of this great organization, they are far beyond compare and totally great.

Commander Robbie Normand and I will be continuing the "Boots on the Ground" program. Along with that, my special project will be Charlie 22 Outdoors, here in Missouri. It is also a program to help prevent Veteran suicide.

The National Home Special project will be a joint project. It will be to secure funding to aide in replacing the windows at the Early Education Center.

This year we will show that we are all 'DEVOTED TO VETERANS' keeping them smiling in beds of white where ever our Veteran can be found.

Membership is always key and we need to work to keep the Auxiliaries strong and in good working order.

I won't be able to travel as much as I would like to, but I will do the best I can.

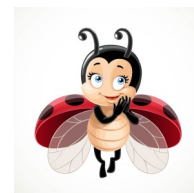

Good luck to our newly elected Supreme Commander Robbie Normand and his officers in the MOC. Here's to a "Lousy" year.

God bless you all for good health, safe travels, and all you do.

Respectfully,
Patches Presfield

2. **The Supreme CCDB (Quartermaster)** will manage Supreme Headquarters and the Headquarters staff at the direction of the Supreme Commander.
3. **Life Membership cards** may be replaced for a fee of \$6.00. This fee is to offset all costs associated with the replacement.
4. **Each Cootie** will be assessed \$2.00; \$1.00 for the Supreme Seam Squirrel's Special Project and \$1.00 for the annual maintenance fee of the MOC/MOCA House at the VFW National Home for Children.
5. **The Supreme Seam Squirrel** is responsible for assigning and is the ultimate authority of all Supreme Representative assignments for functions such as Grand Scratches, investigations, and other events as deemed appropriate. Transportation will be reimbursed to the officer in accordance with established policy. Exceptions must be pre-approved by the Supreme Seam Squirrel and Supreme CCDB. Grand Pup Tents are expected to provide housing and official function tickets. If a specific Supreme representative is requested for an event other than a Grand Scratch, the requesting Grand is expected to make arrangements with the requested individual about expenses.
6. **Travel Allowance Reimbursement** for authorized travel will be paid upon submission of a properly completed Travel Voucher, a Trip Report, Grand Inspection Form (if Conducted) and Supporting Receipts not to exceed the officer's budgeted allowance. A Trip Report must be submitted to Supreme Headquarters stating what took place during the authorized trip. A travel voucher will not be paid unless all documents are submitted. Non-reimbursement expenses are those expenses paid by a third party or expenses deemed inappropriate by the Supreme Seam Squirrel. Lodging will be at the single room rate except when the traveler is sharing a room and then reimbursement will be at the shared rate. 8. **A Supreme Officer** or representative will inspect all Grand's unless waived by the Supreme Seam Squirrel. The inspection of the Grand is not calculated in that Grand's reimbursement to be 100% inspected.

* 71 through 80	\$190.00
* 81 and over	\$150.00

Reminder that annual and life membership rates go up effective 1 June 2025.

Do you have your Red Star Life Membership?

If you are a Life Member of our crummy fraternity, you may or may not be aware of a program that started over a decade ago. In 2005, Supreme Commander Tom Tweet proposed a program to help raise funds for Supreme Organization.

At that time, Supreme Quartermaster/Adjutant, John L. 'Jack' Roberts announced that we were about to run out of the old-white-life membership-cards. He began redesigning a new-shiny-gold-colored-life-membership-card to replace the nearly depleted stock of old, white cards.

During the process, SC Tweet suggested that every life member replace their white cards with the gold cards. He mentioned that when the US Mint replaces a semi-destroyed dollar bill, it re-issues the serial number, but places a little star in front of the serial number. He suggested that we start up a program similar to that, only the Life Member would have their LM# reissued on the new gold-colored card with a Red ★ Star placed in front of their number signifying that a second donation of ninety-five dollars (\$95) had been made to help the MOC. Since then, hundreds of Cooties have sent in their cards, from all three Life Membership plans.

Now is the time to change out your tired old card for a shiny new one, you can do that for only six bucks. However, if you combine you change out your old card with a Red Star donation of only ninety five dollars, you can save one dollar and do it all for \$100 even!

You'll be helping the organization you love the most, the MOC and you'll have a shiny new card with a Prestigious Red Star! Today is the day to become a Red Star Life Member!

Supreme Seam Squirrels and Supreme Presidents

Joint Mission 2024-2025

Keep' em Vertical
Operation Big Boot

Subject: This mission has been developed to reduce the Veteran Suicide Rate commonly referred to as “22 a day”. Now there has been some adjustments to these numbers in the past few years i.e. In 2019 the Veteran suicide rate fell to 17.2% according to VA study. That is a good thing... Right??? Kind of, because there are studies to suggest the percentage is much much higher than 22 a day. We need to what we can to get that number to zero. Understand that I have no illusions that we will ever get to that number. However, doing nothing is unacceptable. It is time we as Cooties and Auxiliary try to do something about it. This is a plan that we will never know the true impact of or efforts until after we have tried it. However, we have to start somewhere, to do nothing we will have failed in our mission as VFW and MOC members to try to help every veteran to live a long and prosperous life. The reason for the boot being utilized as the symbol is that we need to show the Veterans they are not alone and we will help walk with them through their journey to recovery. If you are looking at this like...”Oh Great just another thing we have do to get a check in the box.” Then you are not looking at it as intended. We really do not need to hear the negative on how this won't work or can't work. I would rather hear how we “CAN” make this work. Let's figure this out together. So, Please embrace the idea and intent behind this effort and make a conjoined effort to “Keep'em Vertical” so we can “Keep'em Smilin' in Beds of White”, when the time comes.

So how will this mission work.

Every Grand, East & West Area Black Pup Tents and Auxiliary will be required to do an event that is geared towards the awareness of Veterans Mental Health Issues and the prevention of Veteran Suicides. The Supreme does not want any funds be given to Supreme for this effort, only thing required is a report of an event with the minimum information on the form below. It is fashioned somewhat like Hospital report. If your event is a fundraiser, we want you to keep those funds in your state/Grand/ Area. As many of you know your areas and how to help those veterans in your areas. If your organization is already doing that then you are ahead of the game.

Remember this is basically your Grand Pup Tent program to help veterans, as it helps the Veterans in YOUR community.

All reports will be sent to the Operation Big Boot Chair –
Luther Sawicki and to the Supreme Adjutant

Military Order of the Cootie and its Auxiliary

Supreme Social Media. Just posting awareness for contact #988 is a reportable effort. This will get you started Special Project 2024-2025

Simple process program reporting criteria just report your activities under Hospital report and or email your reports to chairman: luthersawicki@gmail.com (440)228-8594 Special Project 23 and to Supreme Adjutant at mocsupremeadjutant@gmail.com.

Your pup tents are doing this everyday making contact with Veterans in Beds of White. Neighbor's, and even better source especially for those younger Veterans on.

Example: reporting for your Pup Tent/Grand that will get you toward qualify your MOC/MOCA toward the Overall Golden Boot.

- ◇ Buddy Checks for Veterans in your Community, Etc.
- ◇ Posting awareness to Social Media (please be sure to send me your Social Media items too share.
- ◇ Hold a Community Day at community events with Suicide Awareness events in your VA, Community.
- ◇ Create special project within your own grand that places special bags just for your VA intake ER Veterans in Crisis. This is what The Big Boot Does when it gets in Donations (Sea Bag small) Gold Bag (ladies) Men Blue bag for these Veterans who come into the Emergency Room for Mental Health 72 hour stay. They need sweat clothes, socks, booties, make-up, slippers, toothpaste, combs, brushes, travel size toiletry items. This is due in part that they come in with nothing with them and it gives them some much needed stress release until they can obtain these items. They are earmarked for ER intake Patients only. Simply Put Yesterday was their Hardest Day. (\$18.00 Value average) per bag.
- ◇ Donate to the Special Project Supreme Project.
- ◇ IF any of your members work on the crisis Hotline for Suicide those hours count.
- ◇ Have direct contact with any Veteran in Crisis that you/your members may have assisted.
- ◇ Raffle Basket at one of your events. Tail Gate Party at your post.

Be creative reducing the loss of a comrade affects on the average of an estimate of 135 friends, Family, Co-workers, etc. when, we lose a comrade.

Every Pup Tent, Grand or MOCA is in contention.

10 or more total events will grow your level to Big Red Boot Contender.

The Golden Boot will be the highest overall for both the MOC and MOCA Special Project impact.

Keeping it simple for those in Beds of White and bringing awareness to all.

VFW National Home and Special Project Programs

2024-2025

Established in 1925, the VFW National Home was created as a home for widows and orphans of deceased veterans. The idea to build such a home came from the Military Order of the Cootie. However, it was through the efforts of a 23-year-old girl from Detroit named Amy Ross that the idea became a reality. Supreme Seam Squirrel Robbie Normand's and Supreme President Patches Presfield's **SPECIAL PROJECT** is to replace several windows in the Early Education Center.

OBJECT: Financing of a specific project for the VFW National Home is the objective of this program. We do not replace any other monies that might be used with your donations under this project. Your donations are merely a supplement to the other individual donations to the VFW National Home. Pup Tents, Grands, Cooties and Auxiliary members at all levels are encouraged to donate to this worthy cause. Selected projects are presented and must be approved by a majority vote at an annual Supreme Scratch. In addition, supporting our VFW National Home is one of our stated objectives.

GOAL: The established goal for this program is an annual one-dollar donation per Cootie.

PROCEDURES: Forward monies collected at the Pup Tent to your Grand Quartermaster who will forward them to Supreme Headquarters. All donations must be received through the Grand Quartermaster or Black Division Pup Tent CCDB. Anyone may contribute to the fund. Earmark all checks as to what they are for. By encouraging MOC Auxiliary Members to contribute gives both their Pup Tent and Grand credit for the donations. A report on a financial status of the fund is required at the Supreme Scratch and Council of Administration meeting IAW Section 512C & E, By-Laws of the Supreme Pup Tents.

AWARDS: Pup Tents and Grands reaching 100% will receive a citation from the Special Projects Chairman. See All*Star programs for more details.

Sky Pilot / Chaplain of the Year Program 2024-2025

Objective: The Supreme Seam Squirrel desires that special recognition be given to outstanding Sky Pilots in the Military Order of the Cootie.

Mission: The Sky Pilots in the MOC are second to none. Their labor of love brings true credit to the MOC and its programs. The Supreme Sky Pilot of the Year Program is an excellent opportunity to recognize your best Sky Pilot. Sky Pilots of the Pup Tents, and Grands, and Areas, have been recognized at the Supreme Scratch each year as *Supreme Sky Pilot of the Year* since Cootie Year 1975-1976.

Selection:

1. Selection of the Supreme *Sky Pilot of the Year* is done from letters of nominations sent by Pup Tent Seam Squirrels, Grand Seam Squirrels and Area Seam Squirrels, Supreme Council Members to the Supreme Chaplain.
2. Letters of nominations are judged by a Select Committee of no less than three people who are NOT members of the MOC or VFW, but who understand fully the work or labor of the Sky Pilot. Any Sky Pilot selected as Sky Pilot of the Year on any level is not eligible for recognition a second time at that level. However, if they are honored at one level, they can be honored at another.
3. Nominations letters should be written on MOC letterhead.
4. Letters postmarked after 15 May 2025 will not be considered. Nomination letters may be mailed between 1 June 2024 and 15 May 2025.
5. Letters of nomination should contact facts, not just words. We have Sky Pilots who do great work in this, and our parent, organizations. So please nominate them and get them recognized by sending your letter to the Supreme Sky Pilot.
6. Do not let your Sky Pilots down. Please make a nomination for this honor. If you don't nominate them, they may not be recognized.

Cootie Of the Year Program 2024-2025

I know there are numerous Species Pediculi in our Grands that are constantly working the seams, keeping them smiling and being closer than a brother. If the Cootie chosen attends the Supreme Convention, it will be awarded at that time. If not, the Cootie will receive the award at another event they are attending.

Nominations should be a detailed description of what the Cootie has performed. If you have any questions or to submit a cootie for the Supreme Cootie of the Year, please contact me.

If for any reason, you could not get the nomination to me, bring it to the Supreme Convention and give it to me or any Past Supreme Commander. We know there must be some deserving Cooties out there, so let us know and provide us the opportunity to recognize this Lousy Cootie.

Objective: The Supreme Seam Squirrel fully supports the VFW Blood Program and encourages all Cooties to participate. The Blood Program is a recognition program. DO NOT REPORT the Supreme Blood Program as part of the Supreme Hospital Program.

Appointments: Each Grand and Pup Tent will appoint a Pup Tent Vampire/Blood Chairman.

Awards: Any Cootie giving blood between 1 June 2024 and 31 May 2025 will receive a Certificate of Appreciation. The certificate will be signed by the Supreme Vampire and the Supreme Seam Squirrel. If any Cootie reaches one, five or ten gallons lifetime total on record, that Cootie will receive a pin and/or tab with the gallon amount on it.

Reporting: Having satisfied the above criteria your Pup Tent Vampire must report the work to your VFW Post for Community Service credit. Report all blood donations to your Pup Tent Vampire and the Vampire will report to the Supreme Vampire to get recognition for your Cootie. There are no middle men in this Program. Vampire will report the total blood donated by a member not just the most current donation.

Send report of donations to me via email. Include Cootie name, Grand/Pup Tent, Date, Blood or Plasma

VAVS Program

2024-2025

The Supreme VAVS Representative/Certifying officer will notify the local VA Directors of who is assigned to their VA facilities. No Grand will contact the VA directly. The Supreme VAVS Certifying officer is the clearing house, so to speak, for the local VAVS representative/deputy. The appointment is to be recommended by the Grand Seam Squirrel/Commander or the Pup Tent Seam Squirrel if there is no Grand.

An awards program is in effect based on hourly service in VA Facilities. For the award, a Cootie Bug pin with VAVS will be sent after reaching 1,000 hours of hospital hours, a tab for 1,000 will be issued upon request of the Grand. There is only one Supreme VAVS representative who is the Certifying officer and one Supreme Deputy VAVS representative.

All local VAVS representatives/deputies must be regularly scheduled volunteers at their VA facilities. A representative/deputy can only service one organization at a time at the same facility. The representative/deputy cannot be a paid VA employee.

Clown Program

Keeping them smilin' in beds of white is the goal of every MOC Clown. We are hoping for members this year to bring cheer and happiness into the lives of those who have given us freedom and are in the hospitals or long-term care facilities. Everyone likes a reason to clown around. So, take time to sing a song, tell a joke, or do something fun with our hospitalized, disabled, elderly veterans. Let's put on a happy face and help the world smile.

Pup Tents

Clown costumes should be in good taste and must consist of more than a funny hat; normally it takes at least three pieces of clown or silly clothing. If you know how to do clown make-up, that's great, but do not use any clown makeup when clowning as a Cootie. We are trying to cheer not scare and some people are afraid of clowns in make-up. To be certified by Supreme, clowns must make three (3) visits between June 1, 2024 and May 31, 2025. Of course, more visits are encouraged. A picture taken of the clown must be sent to the Grand Hospital Chairman who must report these visits on their monthly Hospital Report form. The remarks section of the pup tent hospital form can be used to report clown visits. After the three (3) have been made, the Pup Tent Hospital Chairman should fill out the Clown Request Form. They then send a copy to the Grand Hospital Chairman for verification. After the Supreme Clown receives the signed form (which must be signed by the Grand Hospital Chairman), the Supreme Clown will issue the Supreme Clown Card and pin within 60 days of receipt. Pup Tents not in a Grand will submit pictures to the Supreme Clown directly.

Grand

The Grand Hospital Chairman will keep records for all clowns who have three (3) visits or more and submit them to the Supreme Clown.

Supreme Convention

Bring your Clown Costume with you to the Supreme Convention. Please notify the Supreme Clown if you plan to attend the Supreme Convention as a Clown. A special prize will be given to the Grand and Pup Tent not in a Grand with the best participation throughout the year.

The **Supreme Papa Clown** will provide an initial clown pin for first time clowns and a bar for each following year. These awards will be send to the Grand Hungry Cootie/Adjutant and passed out at the Grand Scratch. Awards not given out at the Grand Scratch must be mailed to the qualifying clown. Awards to clowns not in a Grand will be mailed in the month of June.
