ABOUT US

Bella Kitchen & Cabinetry was born from the passion for woodworking..

A family business that has been on the market since 2013, not just carrying out projects but making other families' dreams come true.

After years of trying to understand what our client needs and expects from us, we introduced our own brand of cabinets.

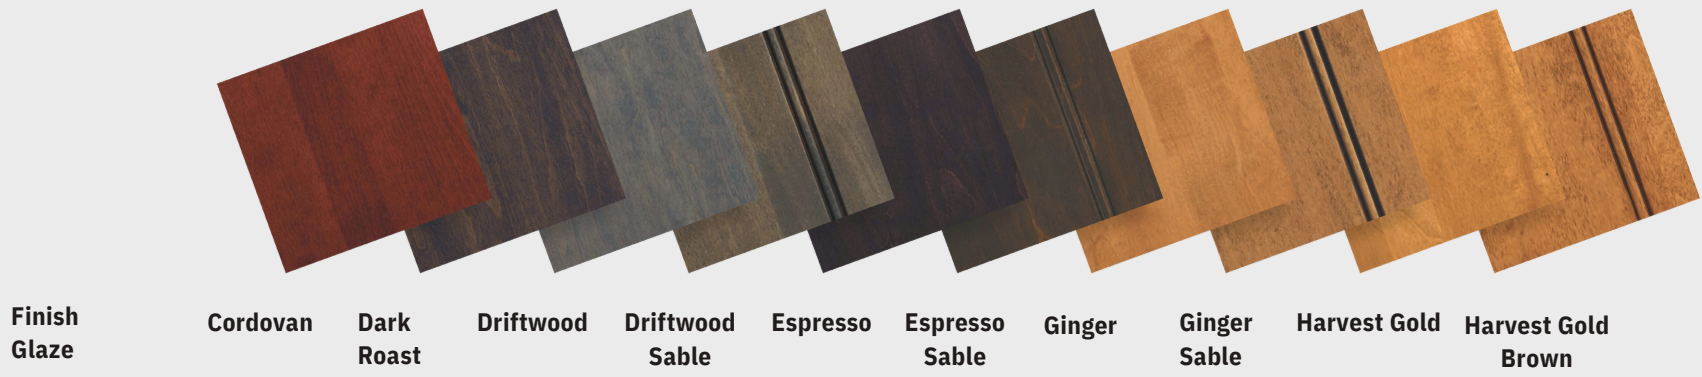

What moves us is being part of the heart of your home with functional cabinets, fast delivery and unmistakable quality that only Bella Kitchen by Conestoga has.

CONSTRUCTION DETAILS

All plywood case with durable UV prefinished interiors

Shelving is made from 3/4" thick plywood

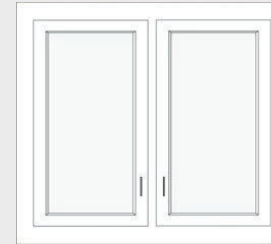

Options for greater value and flexibility including 3/4" thick flush sides, matching specie interiors, size customization, finishing, Blum soft close drawer glides and hinges, and much more

Standard species offering includes Natural Birch, Hard Maple, Soft Maple and Walnut for drawer boxes.

Machining options to accept the most popular undermount drawer hardware.

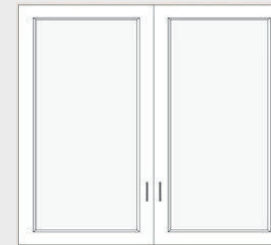

5/8" solid wood dovetail drawer boxes

INSET OVERLAY

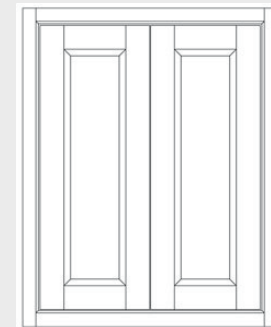

The cabinet door is flush against the cabinet frame for a flat, seamless appearance.

The entire frame is exposed.

FULL OVERLAY

The cabinet door sits on top and completely covers the cabinet box frame.

BEADED INSET OVERLAY

Beaded frames have a single beaded edge on the inside of the cabinet openings that create a more decorative look.
