

Speech & Drama Enrichment Classes

for Ages 4+

Ellendel is an award winning Independent school that offers bespoke Speech and Drama lessons to students aged 4 +. Our small, focused classes give students the attention they need to grow in **confidence, creativity, and communication**. Available afterschool and online, they develop a wide range of skills - from clear speech to expressive performance - while fostering personal growth and self belief. LAMDA exams are available to complement learning, but the emphasis is always on the student, not the exam.
