

## Green Uniform and Baby Bank Volunteer Opportunity – Event Helper

Thank you for considering volunteering with us! You need to be 18+ to register for GUBB volunteer opportunities and be able to make a minimum volunteer commitment.

<b>Opportunity</b>	We are a non-profit organisation who help families save money whilst reducing waste and inequality. We mainly achieve this by facilitating the re-use of good quality school uniform and baby items from our GUBB hub located in Winsford. We need event helpers to join our GUBB Team to organise and run our events in the community or from our community shop, including pop-up shops and seasonal events. These could be inside or outside of our core opening times.
<b>Commitment</b>	To accept at least one event per calendar quarter.

Our premises are located: First Floor, Winsford Community Centre, High Street, CW7 2AS.

Our current core opening times are:

	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday	Sunday
Opening		9.30-12pm		5-7pm		9-12pm	

It is a flexible opportunity. We work with volunteers when deciding when to hold our events, so let us know your availability and we can take this into account when deciding when to hold our events.

<b>Tasks</b>	You will help us to sort donations to be sold at the relevant community event. It also includes helping the local community to shop, aiding as required, as well as taking payment for items.
--------------	---

<p><b>Teamwork</b></p>	<p>We typically have at least 3 volunteers helping at our events, which will include a lead volunteer who is responsible for the event, providing other volunteers with support during the event, as well as cashing up.</p>
------------------------	--

**In our event helpers, we look for** volunteers who are friendly, approachable, who enjoy and are able to provide a basic level of customer service. Our volunteers are able to undertake light-lifting commensurate with shop work and have basic IT skills, similar to skills for smart-phone use, to take payments for items.

We pay fuel or energy expenses to cover the cost of traveling to events not held at our premises. The mileage from our premise to the event and back again for each collection is reimbursed in line with our expenses policy. We do not pay expenses for the cost of you traveling from your home to our premises. However, if this cost would be a barrier to you being able to volunteer, please speak to us.

**In return, as a volunteer** you will have opportunities to give back to your local community and make genuine connections with others. You will also gain experience in shop work and till management.

If you want to apply for this volunteer opportunity, please register and we will be in touch. If you are unsure if this opportunity is for you, have a look at our other volunteer opportunities or chat to us.
