

## Green Uniform and Baby Bank Volunteer Opportunity – School Helper

Thank you for considering volunteering with us! You need to be 18+ to register for GUBB volunteer opportunities and be able to make a minimum volunteer commitment.

|                    |   |
|--------------------|---|
| <b>Opportunity</b> | We are a non-profit organisation who help families save money whilst reducing waste and inequality. We mainly achieve this by facilitating the re-use of good quality school uniform and baby items from our GUBB hub located in Winsford. We need school helpers to join our GUBB Team to collect, sort and organise uniform items donated in drop boxes in local school premises, bringing them back to our community shop. |
| <b>Commitment</b>  | To accept at least 2 collection tasks per month.  |

**Our premises are located:** First Floor, Winsford Community Centre, High Street, CW7 2AS.

Our current core opening times are:

|         | Monday | Tuesday   | Wednesday | Thursday | Friday | Saturday | Sunday |
|---------|--------|-----------|-----------|----------|--------|----------|--------|
| Opening |        | 9.30-12pm |           | 5-7pm    |        | 9-12pm   |        |

It is a flexible opportunity where we can work with schools to schedule a mutually convenient time to collect drop boxes during school opening hours, so let us know your availability and we can match to collection requests.

|              |   |
|--------------|---|
| <b>Tasks</b> | You will collect drop boxes from local schools in Cheshire West locations, replacing the full box with an empty one, then sorting these donations into those to be sold in the community shop and those to be recycled, bringing them back to the community shop. |
|--------------|---|

|                        |   |
|------------------------|---|
| <p><b>Teamwork</b></p> | <p>We have volunteers who run our community shop, who restock the shop floor and assist shoppers. Our school helpers assist by collecting drop boxes and sorting items for our shop and donation helpers to re-stock.</p> |
|------------------------|---|

In our school helpers, we look for friendly, approachable volunteers who are able to drive. They have access to their own vehicle, are able to undertake light-lifting commensurate with shop work and have basic IT skills, similar to skills for smart-phone use, to accept collection tasks.

We pay fuel or energy expenses to cover the cost of collecting drop boxes and bringing them to our premises. The mileage from our premise to the local school address and back again for each collection is reimbursed in line with our expenses policy. We do not pay expenses for the cost of you traveling from your home to our premises. However, if this cost would be a barrier to you being able to volunteer, please speak to us.

In return, as a volunteer you will have opportunities to give back to your local community, make genuine connections with others, and have the opportunity to take part in our community events.

If you want to apply for this volunteer opportunity, please register and we will be in touch. If you are unsure if this opportunity is for you, have a look at our other volunteer opportunities or chat to us. You can find out about other volunteer opportunities at [greenuniformandbabybankltd.org](http://greenuniformandbabybankltd.org) and our contact details are below.
