

CareStart™ COVID-19 Antigen Test

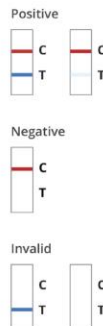

Why CareStart™?

••••• COVID-19 Antigen Tests are a rapid testing device that detects symptomatic and asymptomatic COVID-19 in just 10 minutes. With anterior nasal swabs, specimen collection is quick and comfortable in point-of-care settings and does not require a machine reader to interpret results. The CareStart™ COVID-19 Antigen Test is manufactured in the U.S. and locally distributed by NHD, LLC.

FDA EUA Authorized
Made in the U.S.
Easy to Use
