## 3RD SUNDAY IN ORDINARY TIME

JANUARY 25, 2026

St. Thomas Aquinas, the brilliant theologian, was nicknamed the "Dumb Ox" by peers for his quiet, large stature, but became known as the "Angelic Doctor" for his profound wisdom, wrote hymns like "Pange Lingua," and famously stopped writing after a mystical vision, deeming his work "straw" compared to God's revelation. He was kidnapped by his family to stop him from joining the Dominicans but escaped to pursue his vocation.

### Quirky Facts & Nicknames

**The Dumb Ox:** Students called him this because he was physically large, quiet, and slow to speak, but he was incredibly intelligent.

**Littera unintelligibilis:** He had notoriously bad handwriting, so illegible it was called "unintelligible writing".

**Angelic Doctor:** He earned this title for his purity and intellect, especially his deep understanding of angels.

**Castle Kidnapping:** His parents had him kidnapped and locked away to try to dissuade him of his choice in religious orders. Yet Thomas was deeply committed to becoming a priest and, after a year in captivity, his mother arranged for him to "escape" through a window and he went on to join the Dominican order.

**Mystical Vision:** While saying mass one day, Aquinas experienced a mystical vision that was so powerful it made him view everything he had written as "straw worthy to be burned." His vision of heavenly realities left him thinking that he could not adequately describe the profound mysteries revealed in Christian theology. Although his masterpiece *Summa Theologicae* consists of some two million words, he left it unfinished when he died at 49 years of age.

**Profound Influence:** His masterpiece, the *Summa Theologica*, remains central to Catholic philosophy and theology.

**Patron Saint:** He is the patron saint of Catholic schools, students, and philosophers.

**Hymn Writer:** He composed well-known hymns, including "O Salutaris Hostia" and "Pange Lingua".

### BIRTHDAYS THIS WEEK

1/25: Larry Draeger,

*Monsignor Stephen Bosso*

## *Jewish Roots* in the **CATHOLIC MASS**

The Catholic Mass has deep Jewish roots, evolving from early Christian adaptations of synagogue worship and the Passover Seder, evident in shared elements like Old Testament readings, scripture-based prayers (like blessing bread/wine), the structure of the Liturgy of the Word (readings, Psalms), priest's vestments (stole/tallit), ritual handwashing, and concepts like sacrifice, all fulfilled in Jesus' sacrifice, making the Eucharist a Christian Passover.
