The background of the entire page is a detailed, light-colored illustration of the Blessed Mother statue. The statue is shown from the waist up, wearing a long, flowing robe with intricate patterns. Her right hand is raised in a gesture of blessing, with the thumb and index finger joined. Her left hand is resting on her lap. The statue has a serene expression and is surrounded by a decorative, circular halo or mandorla. The overall style is that of a traditional religious artwork, possibly a woodcut or a detailed drawing.
