Dear United Way of Palm Beach County Team,

On behalf of All Friends Impact Services, Inc., and the community we serve, thank you for the Palm Beach County CARES for Nonprofits grant awarded in 2020 during the COVID-19 pandemic.

Your support came at a time when we were afraid, uncertain about the future, and did not know who to turn to for help. As we worked to care for those who depended on us, we faced the worry of keeping our doors open and meeting our financial obligations.

Your assistance helped us cover essential expenses and maintain housing and services for our residents. The grant also helped us purchase much-needed personal protective equipment and cleaning supplies, which we shared with the surrounding community, including families with children. Your support reached beyond our doors, helping us meet the needs of our neighbors during a frightening time. Beyond the financial relief, you gave us reassurance that we were not alone.

We gratefully acknowledge that this grant was made possible through the support of United Way of Palm Beach County and the Palm Beach County Board of County Commissioners.

Although time has passed, we have not forgotten the difference your help made. Thank you to your staff, leadership, and everyone who made this assistance possible. You stood beside us when we needed help, and we remain sincerely grateful.

With heartfelt appreciation,

Paula M. Hunt
