Project story for pullet growing

Write an interesting story telling what you had done this year with your pullet growing project. Items that can be mentioned are preparations made before the chicks arrived, the brooding, feeding, watering, sanitation and general management program, and the pullet show and sale.

This image shows a single sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.
