

Field Marshal

This season LSA is requiring each coach to volunteer as a Field Marshal for a 2-hour time slot on one Saturday during the season. This is to help LSA monitor our fields better and embrace our mantra of “One Community, One Goal.”

Basic duty of the Field Marshal will help monitor the fields for coach and parent compliance.

Example of activities:

- Ensure coaches have their RMC lanyard on and visible in accordance with our policy.
- Ensure parents are sitting in spectator designated areas of the field.
- Notify the BOD if any situation or incident occur that need LSA Board involvement.
- Help direct people to the correct fields if needed.
- Pick up any trash that you may come across
- Pick up any lost items and turn in at the concession stand

We will have a Field Marshal vest and walkie talkie for you at the concession stand.

Sign-ups will be sent out via email once Schedules are posted so you can plan around games.

For any questions, please email Jay White, President@Lindale.Soccer.

Thank you,

LSA Board
