Scholarship Program

The LSA Scholarship program was developed to promote inclusiveness within our recreational, youth soccer organization. Due to unforeseen financial challenges and other hardships, which hinder an athlete's opportunity to be involved with our program, the Lindale Soccer Association is dedicated to providing scholarships in an attempt to support our community and provide lasting relationships with families in need.

Team Sponsorship

The LSA Team Sponsorship program provides an opportunity, for the sponsor, to equally support all teams registered within the Lindale Soccer Association. With your support, coaches will receive various training equipment and other necessities, in order to provide the best possible learning experience, as well as team building skills, for our young athletes, which will result in friendships that will last a lifetime.

General Funds Sponsorship

The LSA General Funds Sponsorship program is designed to assist the Lindale Soccer Association with various costs associated in providing a quality soccer program. Your support of this program will ensure that the association can continue to build lasting relationships with parents and city officials, while maintaining a respectful appearance within the Lindale community.

Tournament Sponsorship

The LSA Tournament Sponsorship program is a great opportunity, for the sponsor and the Lindale Soccer Association, to develop a community partnership, which allows the sponsor to promote their business and become an active participant in our event. With your support of this program, parents, players and other spectators will see and respect your dedication to our association and our commitment to be the best recreational youth soccer organization.
