2. No residence, building, fence (other than fences constructed by the Declarant), wall, pathway, driveway, patio, patio cover enclosure, deck, rock garden, swimming pool, dog house, pool house, tennis court, flag pole, play sets or large play structures, satellite receiving station or "disc", solar heating or cooling device, or other external improvement, above or below the ground (herein all referred to as any "Improvement") shall be constructed, erected, placed or permitted to remain on any Lot, nor shall any grading, excavation or tree removal for any Improvement be commenced, except for Improvements which have been approved by Declarant as follows:

A. An owner desiring to erect an Improvement shall deliver two (2) sets of construction plans, landscaping plans and plot plans to Declarant (herein collectively referred to as the "plans"). Such plans shall include a description, type, quality, color (including any change in color) and use of materials proposed for the exterior of such Improvement. Color tones other than brown or gray shall not be permitted unless specifically approved in writing by the Declarant, in the Declarant's sole discretion. Concurrent with submission of the plans, owner shall notify the Declarant of the owner's mailing address. All structures must be constructed within the building setback lines of the Lot.

B. Declarant shall review such plans in relation to the type and exterior of improvements constructed, or approved for construction, on neighboring Lots and in the surrounding area, and any general scheme or plans formulated by Declarant. In this regard, Declarant intends that the Lots shall form a residential community with homes constructed of high quality materials. The decision to approve or refuse approval of a proposed Improvement shall be exercised by Declarant to promote development of the Lots and to protect the values, character and residential quality of all Lots. If Declarant determines that the proposed Improvement will not protect and enhance the integrity and character of all the Lots and neighboring Lots as a quality residential community, Declarant may refuse approval of the proposed Improvement.

C. Written notice of any approval of a proposed Improvement shall be mailed to the owner at the address specified by the owner upon submission of the plans. Such notice shall be mailed, if at all, within thirty (30) days after the date of submission of the plans. If notice of approval is not mailed within such period, the proposed Improvement shall be deemed disapproved by Declarant.

D. No Lot owner, or combination of Lot owners, or other person or persons, shall have any right to any action by Declarant, or to control, direct or influence the acts of the Declarant with respect to any proposed Improvement. No responsibility, liability or obligation shall be assumed by or imposed upon Declarant by virtue of the authority granted to Declarant in this Section, or as a result of any act or failure to act by Declarant with respect to any proposed Improvement.

3. No single-family residence shall be created, altered, placed or permitted to remain on any Lot other than one detached single-family dwelling which does not exceed two and one-half stories in height. No structure, building or porch shall be constructed, erected, installed or situated within twenty-five feet of the front and rear yard line, except as set forth herein, all Improvements on the Lots shall comply with all other setback requirements of the Zoning Code of the City of Omaha, Nebraska. Notwithstanding the foregoing, Lots 8, 12, 83 and 85 shall be required to have a thirty (30) foot front and back yard setback, Lots 9, 11 and 84 a thirty-five (35) foot front yard setback, and Lot 10 a forty (40) foot front yard setback.

4. The exposed front and side foundation walls of all main residential structures must be constructed of or faced with clay-fired brick or stone or other material approved by Declarant. All exposed rear concrete or concrete block foundation walls not facing a street must be covered with clay-fired brick, stone, siding or shall be painted. All driveways must be constructed of concrete, brick, paving stone, or laid stone. All foundations shall be constructed of concrete, concrete blocks, brick or stone. Fireplace chimneys shall be covered with wood or other material approved in
writing by Declarant. Fireplace chimneys which face a street must be covered with brick or stone. Unless other materials are specifically approved by Declarant, the roof of all Improvements shall be covered with asphalt shingles (30) year heritage style and weathered wood or rustic black in color.

Provided, however, the foregoing paragraph shall not apply to the business activities, signs and billboards or the construction and maintenance of buildings, if any, by Declarant, their agents or assigns, during the construction and sale of the Lots.

6. No obnoxious or offensive activity shall be carried on upon any Lot, nor shall anything be done thereon which may be, or may become, an annoyance or nuisance to the neighborhood, including, but not limited to, odors, dust, glare, sound, lighting, smoke, vibration and radiation. Exterior lighting installed on any Lot shall either be indirect or of such a controlled focus and intensity as not to disturb the residents of adjacent Lots. Any change in color or use of materials for the exterior of any Improvement subsequent to the Declarant’s initial approval shall be submitted to Declarant or its assigns for review in accordance with Article I, Section 2 hereof.

7. Exterior television or radio antenna of any sort shall not be permitted on any Lot, except a satellite receiving dish not exceeding twenty-four (24) inches in diameter and attached directly to the residence may be permitted provided that the location and size of the proposed satellite receiving dish be first approved by the Declarant, or its assigns. No tree houses, tool sheds, windmills, or similar structures shall be permitted on any Lot. A Lot owner shall be solely responsible for the maintenance and repair of the U.S. Postal Service mailbox serving or located on the owner’s Lot. In addition, the owner of a Lot upon which a mailbox cluster is mounted shall agree to edge the concrete pad upon which the mailbox cluster sits and remove all snow and ice so that other Lot owners can access the mailboxes.

8. No repair of any boats, automobiles, motorcycles, trucks, campers (trailers, van-type, auto-drawn or mounted), snowmobiles, recreational vehicles (RV), other self-propelled vehicles or similar vehicles requiring a continuous time period in excess of forty-eight (48) hours shall be permitted on any Lot at any time; nor shall vehicles offensive to the neighborhood be visibly stored, parked or abandoned on any Lot. No unused building material, junk or rubbish shall be left exposed on the Lot except during actual building operations, and then only in as neat and inconspicuous a manner as possible.

9. No boat, camper, trailer, auto-drawn or mounted trailer of any kind, mobile home, truck, aircraft, camper truck or similar chattel shall be maintained or stored on any part of a Lot (other than in an enclosed structure) for more than twenty (20) days within a calendar year. No motor vehicle may be parked or stored outside on any Lot, except vehicles driven on a regular basis by the occupants of the dwelling located on such Lot. No grading or excavating equipment, tractors or semitractors/trailers shall be stored, parked, kept or maintained in any yards, driveways or streets. However, this Section 9 shall not apply to trucks, tractors or commercial vehicles which are necessary for the construction of residential dwellings during the period of construction. All residential Lots shall provide at least the minimum number of off street parking areas or spaces for private passenger vehicles required by the applicable zoning ordinances of the City of Omaha, Nebraska.

10. No incinerator or trash burner shall be permitted on any Lot. No garbage or trash can or container or fuel tank shall be permitted unless completely screened from view, except for pickup purposes. No garden, lawn or maintenance equipment of any kind whatsoever shall be stored or permitted to remain outside of any dwelling or suitable storage facility, except when in actual use. No garbage, refuse, rubbish or cutting shall be deposited on any street, road or Lot. No clothes line shall be permitted outside of any dwelling at any time. Produce or vegetable gardens may only
be maintained within the building setback in rear yards and not along the rear Lot lines. Any produce or vegetable
gardens maintained on a Lot shall be no larger than one hundred (100) square feet in dimension and such produce or
vegetation shall be no more than thirty 30 inches in height. Playsets or large play structures shall only be placed within
the building setback lines and not on the rear or side property lines, and shall be screened from view from public streets.
No trampolines shall be allowed.

11. No fence shall be permitted to extend beyond the front line of a main residential structure. No hedges
or mass planted shrubs shall be permitted more than ten (10) feet in front of the front building line. Unless other
materials are specifically approved in writing by Declarant, fences shall only be composed of ornamental wrought iron,
aluminum black in color, or vinyl. Fences adjacent to Lots 1 through 44 shall only be composed of ornamental wrought
iron or aluminum black in color. Vinyl fences must be approved by the Declarant and may be denied in Declarant’s
sole discretion. Fences which are adjacent to any boulevard must be composed of wrought iron. No fence shall be of
the chain link, wood, wire or horizontal fence railing types. All fences must be approved by the Declarant. Any
fence shall be constructed solely within a Lot boundary and may not encroach onto another Lot. A survey depicting the
location shall be provided prior to the construction of the fence, and if not, an as-built survey of the completed fence
prepared by a licensed surveyor must be provided to the Declarant showing the fence is located entirely within a Lot
without any encroachments to another Lot.

12. Declarant has constructed landscape improvements on Lots which adjoin State Street (Lots 75
through 84, Deer Creek Reserve) ("Boundary Lots"). Declarant hereby declares that the Boundary Lots are subject to a
permanent and exclusive right and easement in favor of Declarant and the Deer Creek Reserve Homeowners
Association to maintain, repair and replace the landscape improvements. Notwithstanding the foregoing, the Lot owner shall be
primarily responsible to maintain the landscape improvements. Without limitation of the rights and easements granted
by this Declaration, the Declarant or Association may come upon any of the Boundary Lots for the purpose of
constructing, installing, repairing, maintaining, removing and replacing the landscape improvements. The owner of a
Boundary Lot shall not have the right to remove or replace the landscape improvements. If a tree situated on a
Boundary Lot shall die or be struck by an automobile or lightning, the Association may require the Lot owner to replace
the tree with a like-kind variety at the owner's expense.

13. No swimming pool may extend more than one (1) foot above ground level.

14. Construction of any Improvement shall be completed within one (1) year from the date of
commencement of excavation or construction of the Improvement. No excavation dirt shall be spread across any Lot in
such a fashion as to materially change the grade or contour of any Lot. All Lots must be fully sodded upon completion
of construction. Grading plans must be submitted to and approved by Declarant prior to commencement of
Improvements to any Lot. Declarant shall review the plans in light of grade and elevation and any plans for grading
lower than two (2) foot or greater than five (5) foot slope from top of curb to foundation will not be permitted.
Declarant reserves the right to ask that the slope to be corrected.

15. A public sidewalk shall be constructed of concrete five (5) feet wide by four (4) inches thick in front
of each Lot and upon each street side of each corner Lot. The sidewalk shall be placed six and one-half (6.5) feet back
of the street curb line and shall be constructed by the owner of the Lot prior to the time of completion of the main
structure and before occupancy thereof; provided, however, this provision shall vary to comply with any requirements of
the City of Omaha.

16. Driveway approaches between the sidewalk and curb on each Lot shall be constructed of concrete.
Maximum driveway slope at the sidewalk intersection shall be no more than two percent (2%) cross slope within
public right-of-way to provide for a tabbed driveway cross slope that is compliant with ADA/PROWAG guidelines
and City of Omaha standards. Should repair or replacement of such approach be necessary, the repair or
replacement shall also be of concrete. No asphalt overlay of driveway approaches will be permitted. The Lot owner
shall be responsible to provide adequate remedial measures to prevent street creep/driveway binding on any curved
streets where the street abuts the driveway approach.
17. No stable or other shelter for any animal, livestock, fowl or poultry shall be erected, altered, placed or permitted to remain on any Lot, except for one dog house; provided always that the construction plans, specifications and the location of the proposed structure have been first approved by Declarant, or its assigns, if required by this Declaration. Dog houses shall only be allowed at the rear of the residence, attached to or immediately adjacent to the residence. Dog runs or kennels shall be permitted only with the approval of Declarant, or its assigns, provided always that any permitted dog run or kennel shall be located immediately adjacent to the rear of the residence. No animals, livestock, agricultural-type animals, fowl, or poultry of any kind, including pot-bellied pigs, shall be raised, bred or kept on any Lot, except that dogs, cats, or other household pets maintained within the residential structure may be kept, provided that they are not kept, bred or maintained for any commercial purpose and, provided, that they are kept confined to the Lot of their owner and are not permitted to run loose outside the Lot of the owner.

18. Any exterior air conditioning condenser unit shall be placed in the rear yard or any side yards and shall be screened with landscaping so as not to be visible from public view. No grass, weeds or other vegetation will be grown or otherwise permitted to commence or continue, and no dangerous, diseased or otherwise objectionable shrubs or trees will be maintained on any Lot so as to constitute an actual or potential public nuisance, create a hazard or undesirable proliferation, or detract from a neat and trim appearance. Vacant Lots shall not be used for dumping of trash or any waste materials, and no vegetation on vacant Lots shall be allowed to reach a height in excess of twelve (12) inches.

19. No Residence shall be constructed on a Lot unless the entire Lot, as originally platted, is owned by one owner of such Lot, except if parts of two (2) or more platted Lots have been combined into one Lot which is at least as wide as the narrowest Lot on the original plat, and is as large in area as the largest Lot in the original plat.

20. No structure of a temporary character, carport, detached garage, trailer, basement, tent, outbuilding or shack shall be erected upon or used on any Lot at any time, either temporarily or permanently. No structure or dwelling shall be moved from outside Deer Creek Reserve to any Lot without the written approval of Declarant.

21. All utility service lines from each Lot line to a dwelling or other Improvement shall be underground.

22. Declarant does hereby reserve unto itself the right to require the installation of siltation fences or erosion control devices and measures in such location, configurations and designs as it may determine appropriate in its sole and absolute discretion on or from any Lot, including "track-out". The Lot owner shall be solely responsible for the cost of any erosion control measures. The Lot owner shall not materially change the grade or contour of any Lot and shall control the flow of surface water from its Lot so not to interfere with the drainage of any adjoining or downstream Lot.

23. During the mass grading operations for the Lots, Declarant has retained professional engineers to periodically conduct moisture and field density testing services related to the soil conditions and to establish adequate slope across the Lots for proper surface drainage conditions. Upon completion of the mass grading operations, the future responsibility of the soil conditions, the adequate slope and proper surface drainage and final grading of the Lot is the sole responsibility of the Lot owner to ensure proper drainage.

24. As a part of the Common Facilities of Deer Creek Reserve, as more particularly set forth in Article II hereof, landscaping, trees, shrubs, irrigation systems and green areas have been installed in certain public right-of-ways and easements within Deer Creek Reserve. Landscaping, trees and shrubs shall be installed by the Declarant as a tree lined street improvement, and after installation, the adjoining Lot owner shall be solely responsible for the maintenance, repair and replacement of such landscaping. The City of Omaha shall have no responsibility for the repair, replacement, operation, upkeep or maintenance with respect to these portions of the Common Facilities located within the subdivision. No tree situated on any Lot may be moved, removed, cut or destroyed unless complete plans describing the exact tree or trees to be moved, removed, cut or destroyed, and the reason therefor shall have been submitted to and approved in writing by Declarant in accordance with Section 2 of
this Article. For purposes of this section, “tree” shall mean and refer to any tree of any type with a diameter larger than one (1) inch at a height of five (5) feet. Unless waived in writing by the Declarant, each Lot owner shall repair and maintain in good condition any and all trees, shrubs or bushes placed in and along the public sidewalk easement area on their Lot. Should any of such trees, shrubs or bushes be removed, die or deteriorate into a poor condition, the owner of the Lot shall, at the Lot owner’s expense, replace such trees, shrubs or bushes with trees, shrubs or bushes of the same or similar quality. In the event such replacement does not occur upon thirty (30) days written notice from either the Declarant or the Association, then either the Declarant or the Association may cause such replacement to occur and charge the owner of the Lot for such replacement as allowed hereinafter.

ARTICLE II.
HOMEOWNERS ASSOCIATION

1. The Association. Declarant has caused the incorporation of the DEER CREEK RESERVE HOMEOWNERS ASSOCIATION, a Nebraska not for profit corporation (hereinafter referred to as the “Association”). The Association has as its purpose the promotion of the health, safety, recreation, welfare and enjoyment of the residents of the Lots, including:

A. The acquisition, construction, landscaping, improvement, equipment, maintenance, operation, repair, upkeep and replacement of Common Facilities for the general use, benefit and enjoyment of the Members. Common Facilities may include recreational facilities such as swimming pools, tennis courts, health facilities, playgrounds and parks; and dedicated and non-dedicated roads, paths, ways and green areas; signs and entrances for Deer Creek Reserve. Common Facilities may be situated on property owned or leased by the Association, on public property, on private property subject to an easement in favor of the Association, or on property dedicated to a Sanitary Improvement District.

B. The promulgation, enactment, amendment and enforcement of rules and regulations relating to the use and enjoyment of any Common Facilities, provided always that such rules are uniformly applicable to all Members. The rules and regulations may permit or restrict use of the Common Facilities by Members, their families, their guests, and/or by other persons, who may be required to pay a fee or other charge in connection with the use or enjoyment of the Common Facility.

C. The exercise, promotion, enhancement and protection of the privileges and interests of the residents of Deer Creek Reserve; and the protection and maintenance of the residential character of Deer Creek Reserve.

2. Membership and Voting. Deer Creek Reserve is divided into eighty-seven (87) separate residential lots (referred to as the “Lots”). The “Owner” of each Lot shall be a Member of this Association. For purposes of this Declaration, the term “Owner” of a Lot means and refers to the record owner, whether one or more persons or entities, of fee simple title to a Lot, but excluding however those parties having any interest in any of such Lots merely as security for the performance of an obligation (such as a contract seller, the trustee or beneficiary of a deed of trust, or a mortgagee). The purchaser of a Lot under a land contract or similar instrument shall be considered to be the “Owner” of the Lot for purposes of this Declaration. Membership shall be appurtenant to ownership of each Lot, and may not be separated from ownership of each Lot.
The Association shall have two (2) classes of voting members, Class A Members and Class B Members, defined as follows:

CLASS A: Class A Members shall be all Owners, with the exception of Declarant or its assigns. Each Class A Member shall be entitled to one (1) vote for each Lot owned. When there shall be more than one person or entity holding an interest in any Lot, all such persons or entities or both, shall be Members; provided however that the vote for such Lot shall be exercised as such persons or entities or both, shall determine, but in no event shall more than one vote be cast with respect to any one Lot. It is understood that the Owner of each respective Lot created as a result of a Lot Split shall be entitled to one (1) vote.

CLASS B: The Class B Member shall be Declarant, or its assigns, which shall be entitled to ten (10) votes for each Lot owned. For purposes herein, Declarant shall be considered the Owner of a Lot notwithstanding the existence of any contract for sale or purchase agreement, with such ownership status continuing in all events until title is transferred by Declarant through the execution, delivery and recordation of a Warranty Deed. The Class B membership shall terminate and be converted into a Class A membership upon the occurrence of the date on which the total votes outstanding in the Class A membership shall equal or exceed the total votes outstanding in the Class B membership.

The Class A and Class B Members may be sometimes collectively referred to as “Members”.

The Owner of each Lot, whether one or more persons and entities, shall be entitled to one (1) vote on each matter properly coming before the Members of the Association.

3. **Purposes and Responsibilities.** The Association shall have the powers conferred upon not for profit corporations by the Nebraska Nonprofit Corporation Act, and all powers and duties necessary and appropriate to accomplish the purposes and administer the affairs of the Association. The powers and duties to be exercised by the Board of Directors, and upon authorization of the Board of Directors by the officers, shall include, but shall not be limited to, the following:

   A. The acquisition, development, maintenance, repair, replacement, operation and administration of Common Facilities, and the enforcement of the rules and regulations relating to the Common Facilities.

   B. The landscaping, mowing, watering, repair and replacement of parks and other public property and improvements on parks or public property within or near Deer Creek Reserve.

   C. The fixing, levying, collecting, abatement, and enforcement of all charges, dues, or assessments made pursuant to the terms of this Declaration.

   D. The expenditure, commitment and payment of Association funds to accomplish the purposes of the Association including, but not limited to, payment for purchase of insurance covering any Common Facility against property damage and casualty, and purchase of liability insurance coverages for the Association, the Board of Directors of the Association and the Members.

   E. The exercise of all of the powers and privileges, and the performance of all of the duties and obligations of the Association as set forth in this Declaration, as the same may be amended from time to time.

   F. The acquisition by purchase or otherwise, holding, or disposition of any right, title or interest in real or personal property, wherever located, in connection with the affairs of the Association.
G. The deposit, investment and reinvestment of Association funds in bank accounts, securities, money market funds or accounts, mutual funds, pooled funds, certificates of deposit or the like.

H. The employment of professionals and consultants to advise and assist the officers and Board of Directors of the Association in the performance of their duties and responsibilities for the Association.

I. General administration and management of the Association and execution of such documents and the doing and performance of such acts as may be necessary or appropriate to accomplish such administration or management.

J. The doing and performing of such acts, and the execution of such instruments and documents, as may be necessary or appropriate to accomplish the purposes of the Association.

4. Mandatory Duties of Association. The Association shall maintain and repair the fence, signs and landscaping which have been installed in easement areas of the Deer Creek Reserve subdivision and center islands dividing dedicated roads, in generally good and neat condition.

5. Imposition of Dues and Assessments. The Association may fix, levy and charge the Owner of each Lot with dues and assessments (herein referred to respectively as “dues and assessments”) under the following provisions of this Declaration. Except as otherwise specifically provided, the dues and assessments shall be fixed by the Board of Directors of the Association and shall be payable at the times and in the manner prescribed by the Board.

6. Abatement of Dues and Assessments. Notwithstanding any other provision of this Declaration, the Board of Directors may abate all or part of the dues or assessments due in respect of any Lot, and shall abate all dues and assessments due in respect of any Lot during the period such Lot is owned by the Declarant.

7. Liens and Personal Obligations for Dues and Assessments. The assessments and dues, together with interest thereon, costs and reasonable attorneys’ fees, shall be the personal obligation of the Owner of each Lot at the time when the dues or assessments first become due and payable. The dues and assessments, together with interest thereon, costs and reasonable attorneys’ fees, shall also be a charge and continuing lien upon the Lot in respect of which the dues and assessments are charged. The personal obligation for delinquent assessments shall not pass to the successor in title to the Owner at the time the dues and assessments become delinquent unless such dues and assessments are expressly assumed by the successor, but all successors shall take title subject to the lien for such dues and assessments, and shall be bound to inquire of the Association as to the amount of any unpaid assessments or dues.

8. Purpose of Dues. The dues collected by the Association may be committed and expended to accomplish the purposes of the Association described in Section 1 of this Article, and to perform the Powers and Responsibilities of the Association described in Sections 3 and 4 of this Article.

9. Maximum Annual Dues. Unless excess dues have been authorized by the Members in accordance with Section 11 below, the aggregate dues which may become due and payable in any year shall not exceed the greater of:

A. Three Hundred and no/100 Dollars ($300.00) per Lot.

B. In each calendar year beginning on January 1, 2018, one hundred twenty-five percent (125%) of the aggregate dues charged in the previous calendar year.
10. **Assessments for Extraordinary Costs.** In addition to the dues, the Board of Directors may levy an assessment or assessments for the purpose of defraying, in whole or in part, the costs of any acquisition, construction, reconstruction, repair, painting, maintenance, improvement, or replacement of any Common Facility, including fixtures and personal property related thereto, and related facilities. The aggregate assessments in each calendar year shall be limited in amount to Two Hundred and no/100 Dollars ($200.00) per Lot.

11. **Excess Dues and Assessments.** With the approval of seventy-five percent (75%) of the Members of the Association, the Board of Directors may establish dues and/or assessments in excess of the maximums established in this Declaration.

12. **Uniform Rate of Assessment.** Assessments and dues shall be fixed at a uniform rate as to all Lots, but dues may be abated as to individual Lots as provided in Section 6 above.

13. **Certificate as to Dues and Assessments.** The Association shall, upon written request and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the dues and assessments on a specified Lot have been paid to the date of request, the amount of any delinquent sums, and the due date and amount of the next succeeding dues, assessment or installment thereof. The dues and assessment shall be and become a lien as of the date such amounts first become due and payable.

14. **Effect of Nonpayment of Assessments; Remedies of the Association.** Any installment of dues or assessments which is not paid when due shall be delinquent. Delinquent dues or assessments shall bear interest from the due date at the rate of sixteen percent (16%) per annum, compounded annually. The Association may bring an action at law against the Owner personally obligated to pay the same, or foreclose the lien against the Lot or Lots, and pursue any other legal or equitable remedy. The Association shall be entitled to recover as a part of the action and shall be indemnified against the interest, costs and reasonable attorneys’ fees incurred by the Association with respect to such action. No Owner may waive or otherwise escape liability for the charge and lien provided for herein by nonuse of the Common Facilities or abandonment of the Owner’s Lot. The mortgagee of any Lot shall have the right to cure any delinquency of an Owner by payment of all sums due, together with interest, costs and fees. The Association shall assign to such mortgagee all of its rights with respect to such lien and right of foreclosure and such mortgagee may thereupon be subrogated to any rights of the Association.

15. **Subordination of the Lien to Mortgagee.** The lien of dues and assessments provided for herein shall be subordinate to the lien of any mortgage, contract or deed of trust given as collateral for a home improvement or purchase money loan. Sale or transfer of any Lot shall not affect or terminate the dues and assessment lien.

16. **Additional Lots.** Declarant reserves the right, without consent or approval of any Owner or Member, to expand the Association to include additional residential lots in any subdivision which is contiguous to any of the Lots. Such expansion(s) may be effected from time to time by the Declarant or Declarant’s assignee by recordation with the Register of Deeds of Douglas County, Nebraska, of a Declaration of Covenants, Conditions, Restrictions and Easements, executed and acknowledged by Declarant or Declarant’s assignee, setting forth the identity of the additional residential lots (hereinafter the “Subsequent Phase Declaration”).

Upon the recording of any Subsequent Phase Declaration which expands the residential lots included in the Association, the additional lots identified in the Subsequent Phase Declaration shall be considered to be and shall be included in the “Lots” for purposes of this Article II, and the Owners of the additional residential lots shall be Members of the Association with all rights, privileges and obligations accorded or accruing to Members of the Association.

17. **Outlots A, B and C.** Outlots A and B shall be used for retention basins/stormwater management and will be owned and maintained by the Association or Sanitary and Improvement District No. 574 of Douglas County, Nebraska. Outlot C shall be used for landscaping and monument signs and shall be owned by the Association.
ARTICLE III.
EASEMENTS

1. A perpetual license and easement is hereby reserved in favor of and granted to Omaha Public Power District, CenturyLink, Cox Communications, and any company which has been granted a franchise to provide a cable television system within the Lots, the City of Omaha, Metropolitan Utilities District and Sanitary and Improvement District No. 574 of Douglas County, Nebraska, their successors and assigns, to erect and operate, maintain, repair and renew buried or underground sewers, water and gas mains and cables, lines or conduits and other electric and telephone utility facilities for the carrying and transmission of electric current for light, heat and power and for all telephone and telegraph and message service and for the transmission of signals and sounds of all kinds including signals provided by a cable television system and the reception on, over, through, under and across a five (5) foot wide strip of land abutting the front and the side boundary lines of the Lots; an eight (8) foot wide strip of land abutting the rear boundary lines of all interior Lots and all exterior lots that are adjacent to presently platted and recorded Lots; and a sixteen (16) foot wide strip of land abutting the rear boundary lines of all exterior Lots that are not adjacent to presently platted and recorded Lots. The term exterior Lots is herein defined as those Lots forming the outer perimeter of the Lots. The sixteen (16) foot wide easement will be reduced to an eight (8) foot wide strip when such adjacent land is surveyed, platted and recorded. Provided, however, that such licenses and easements are granted upon the specific conditions that if any of such utility companies fail to construct such facilities along any of such Lot lines within thirty-six (36) months of the date hereof, or if any such facilities are constructed but are thereafter removed without replacement within sixty (60) days after their removal, then such easement shall automatically terminate and become void as to such unused or abandoned easementways. No permanent buildings, trees, retaining walls or loose rock walls shall be placed in the easementways, but same may be used for gardens, shrubs, landscaping and other purposes that do not then or later interfere with the aforementioned uses or rights granted herein.

2. Other easements are provided for in the final plat of Deer Creek Reserve which is filed in the office of the Register of Deeds of Douglas County, Nebraska (Instrument No. 2017009098).

ARTICLE IV.

1. Except for the authority and powers specifically granted to the Declarant, the Declarant or any owner of a Lot named herein shall have the right to enforce by a proceeding at law or in equity, all reservations, restrictions, conditions and covenants now or hereinafter imposed by the provisions of this Declaration either to prevent or restrain any violation or to recover damages or other dues of such violation. Failure by the Declarant or by any owner to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter.

2. The covenants and restrictions of this Declaration shall run with and bind the land in perpetuity. This Declaration may be amended by Declarant, or any person, firm, corporation, partnership, or entity designated in writing by Declarant, in any manner which it may determine in its full and absolute discretion for a period of five (5) years from the date hereof. Thereafter this Declaration may be amended by an instrument signed by the owners of not less than seventy-five percent (75%) of the Lots covered by this Declaration with the exception of the Declarant rights set forth in Article I 1, which cannot be amended until Declarant has approved architectural plans for all of the Lots subject to this Declaration.

3. Declarant, or its successor or assign, may terminate its status as Declarant under this Declaration, at any time, by filing a Notice of Termination of Status as Declarant. Upon such filing, Association may appoint itself or another entity, association or individual to serve as Declarant, and such appointee shall thereafter serve as Declarant with the same authority and powers as the original Declarant.

4. INVALIDATION OF ANY COVENANT BY JUDGMENT OR COURT ORDER SHALL IN NO WAY AFFECT ANY OF THE OTHER PROVISIONS HEREOF, WHICH SHALL REMAIN IN FULL FORCE AND EFFECT.
IN WITNESS WHEREOF, the Declarant has caused these presents to be executed this \textsuperscript{11th} day of August, 2017.
