

WEST WITTERING – APRIL 2024

With Shona Perkins & Mark Cornick

The following is simply a few recommendations to help you whilst preparing for our upcoming series of workshops at West Wittering, West Sussex.

Please don't hesitate to get in touch with any questions you may have.

WHAT TO BRING WITH YOU - EQUIPMENT:

- Camera – You do not want to forget this!
- Lens – Recommended: 24-70 and 70-200mm (or equivalent).
- ND Filters – Recommend 3 stop and 6 stop / variables.
- If you have a Polariser and Graduated ND filters, bring them. But these are not essential.
- Batteries, would recommend at least 2/3.
- High-capacity memory cards – you don't want to be deleting any images!
- Cleaning cloths and cleaning kits – we will be exposed to sea salt and sand!
- Waterproof covers for camera and camera bag – these are essential!

WHAT TO BRING WITH YOU - CLOTHING:

- Lightweight layers – it could still be quite chilly as we move into the evening.
- Waterproof outerwear, trousers and gloves.
- Wellies are recommended / waterproof walking boots.

WHAT TO BRING WITH YOU – MISCELLANEOUS:

- Recommend bringing a tea / coffee thermos.
- Water.
- Snacks to keep energy levels up.
- Packed lunch / dinner.

SEE YOU SOON!
