

Be Part of This Club!

Welcome to Charleston City FC. We are a nonprofit soccer club devoted to promoting the game of soccer and providing a platform for children to reach their goals and to better their lives, their communities, and families. We promote and encourage education in our underserved communities in an effort to foster life changes and prepare them for college. We encourage, train, and empower our youth to improve themselves on and off the field. We believe that all children should be afforded the opportunity to play competitive soccer and achieve their potential in sports and in life.

To achieve our goal of helping Lowcountry youth succeed, we abide by the following core values.

INTEGRITY: We strive to instill values that promote strength of character in our players, families, coaches, and community.

PASSION: Demonstrate pride in all you do and display an attitude that promotes excitement and love of the game while representing your club, your team, and your community.

INDIVIDUAL PLAYER DEVELOPMENT: Helping every player reach their full potential.

PREPARATION: Physical, mental, and technical training are all essential elements for success.

COMPETITION: Healthy competition elevates standards and improves performance.

HAVING FUN: We believe a positive environment produces the most effective.

Schedule

Club soccer requires a year-round commitment, with different parts of the year dedicated to various forms of competitive play. For newcomers, players and parents should expect a higher level of engagement, as this commitment is crucial for advancing players' athleticism and skill development. If you are unable to make this long-term commitment, we kindly ask that you refrain from signing up.

Tryouts

We begin with open tryouts for everyone. Tryouts offer opportunities for new players to be evaluated by coaches and club staff for potential placement on our club teams. Each team is organized by birth year as dictated by the South Carolina Youth Soccer Association (SCYSA). Returning players are required to try out alongside new players to assist with evaluating individual development and team cohesion. Player selection is at the sole discretion of the coaching staff.

Following tryouts, players who make the team will receive an email invitation containing the registration link for the upcoming season. Families will have 48 hours to accept the position and register their players with the \$150 commitment fee. If the 48-hour period elapses, the position may be offered to players on the waitlist. Commitment fees are non-refundable. Once commitment fees are paid, players are locked into teams.
