WINTER COUNT

MARK YOUR CALENDARS FOR
FEBRUARY 16-22, 2025
 REGISTRATION OPENED NOVEMBER 1st
 AND IS NOW **CLOSED** !

Winter Count, (started 1995), is part of a family of gatherings that strive to reconnect people with old ways of making fire, tanning hides, forming metal, weaving baskets, hunting, gathering and much more. We teach ancestral skills that were essential to the survival and well-being of all cultures, no matter what continent your ancestors came from. Through the understanding and mastery of these skills, people find that they can connect not only to a simpler way of living life but also to the roots of their heritage and to a pathway to interact more deeply with the natural world.

We provide a camp with some of the best instructors in their fields, teaching what they have learned through experience, experimentation and through source materials. Some of the instructors have spent many years perfecting their crafts. Some have managed archeological sites while others have lived deeply among the wild places, hunting, raising their own food and making their own clothing and tools from the most basic elements. We are a diverse group of people from many experiences, opinions, and family backgrounds, who come together to share what it is that makes us excited about life.

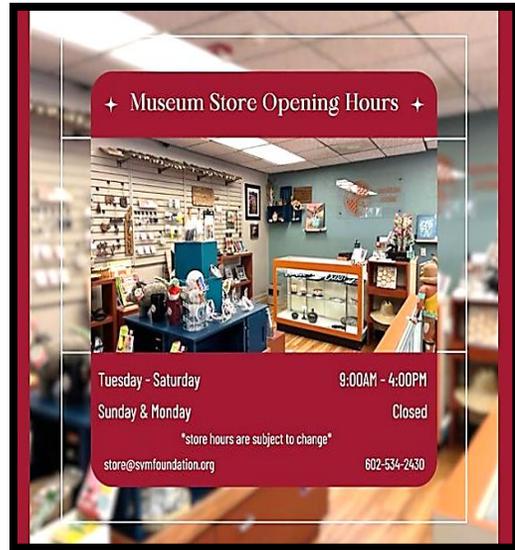

Winter Count is a drug, alcohol, and firearm free event.

Between the Rivers Gathering is a week-long educational workshop for learning skills that originated in the stone-age all the way up to modern homesteading. We are an annual event located in Washington State about an hour north of Spokane. We will have a multitude of instructors offering a broad-range of classes all week long. Included will be wilderness survival skills of all kind, basic and homespun living, preparedness and skills of a practical and archeological nature.

We offer hands-on classes in ancestral living and survival, and we also focus on the skills of self-sufficiency and sustainable living to minimize our impact on this planet we all share. Come join our community and experience for yourself what an ancestral skills gathering is all about!
