WHAT'S NEW IN JULY 2018

For those that love
a **CHALLENGE** and a **CLIMB**,
we are now featuring
ROAD GRAND TOURS

Come in and try this new platform. It features several Grand Tour epic rides, including Mount Ventoux in France. This course is approximately 20 miles, with 5200 plus feet of climbing at an average of 6% grade. Not quite ready for this climb, that's okay. The platform has other epic courses in Germany, the UK, Spain, and Italy. And the graphics are just WOW!!! You'll feel like you're really there!!!
