

SUSHEDEN MARKETING INC.

SOLAR POWER SYSTEM

20KW SOLAR POWER SYSTEM

HARNESSING THE SUNS ENERGY

Advantages of Solar Energy

REDUCES POWER BILL
LONG TERM SAVINGS
ENERGY INDEPENDENCE
ENVIRONMENT FRIENDLY
LOW MAINTENANCE

USE SUSHEDEN SOLAR POWER SYSTEM ZERO YOUR ELECTRICITY

MSD-250KW on grid solar power system

Solar power rated power:265.5KW Suitable for daily power consumption: >1593KWH

Model	Picture	Description	Advantage	Qty
Solar panel CE,ROHS,TUV certificate		N-type TopCon half cell mono panels Voltage: 41.97V Rated power: 590w Connection:15pcs in series 30strings in parallel	23% 25 years of efficiency	450PCS
On grid inverter 220V 3 phase MAX50KTL3 - XL2		Power capacity: 125KW MPPT voltage:250V-960V Rate voltage:600V Number of MPP inputs: 10 Number of DC inputs: 2 Allowed Voltage Range Of Grid: 380-415V 220V Communication interface:RS485 size:767*713*297mm	Perfect function: get the power to the grid , Protective Functions: Protection Against Over load, Short-Circuit, Over Heat, Anti-isolated Island Efficiency,Polarity Joint-Reversed 5Years Warranty	5PCS
Distribution box		Circuit breakers,disconnectors, Surge protection,self- supporting overvoltage protectors, disconnectors.	The main role is lightning protection, Overvoltage protection, undervoltage protection.	1PCS
Bracket System		1)Rooftop / Ground Install Customized,Including All Parts 2)Maintenance channel 3)wire tray 4)Grounding flat iron	Details for bracket system, check next page, improve the lifespan of your solar plant, & extend your roof lifespan 10years warranty	1SET
PV Cables		1)6mm2 PV cable 2800M 2)70mm2 inverter cable 100M 3)35mm2 grounding cable 100m 4) 50pairs MC4 5) 450pcs Ground wire 6) 60pcs grounding wire 50cm 7) Flexible cable pipe 800M 8) MC4 tools 3sets	10years warranty International standard, with specification suitable for solar system	1SET
Project design		Project design Electrical Engineering + Sturture Engineering	Installation Guidance online	1SET

MSD-250KW/220VAC three phase on grid solar power system price

Installation service: 2 engineers * 5days

round Trip ticket

one * 40HQ container delivery to Manila

Total CIF Manila cost

Full set: Total volume:52CBM Total weight: 14120KG

Use SUSHEDEN Solar Power System,Zero Your Electricity Bill

Details for Bracket System

Rooftop metal install

For the big project solar system, the bracket is Steel is zined to prevent rust. Make your solarpanel installation more stable and durable.

Maintenance channel

Installed maintenance channel on the roof, convenient people to walk inspect and maintain the solarpanels; at the same time, protect your roof

Wire tray

Cable protection to prevent damage. Make your solarpanel installation more stable and durable.

Grounding flat iron

Conductor used for lightning protection grounding. Its function is to transmit the instantaneous lightning from the building's lightning conductor to the earth.

Optional

lightning rod

Lightning induction, lightning protection

2years warranty

1SET

CCTV

Real-time monitoring of power room dynamics

2years warranty

1SET

Wifi function

Manage your electricity system in 7 days/24 hrs by phone APP

2years warranty

1SET

Installation kit

Tools Needed to Install a Solar System

2years warranty

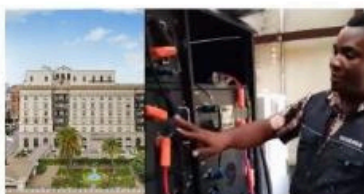

1SET

Our Case

100KW solar system in Zimbabwe school

Engineers use 5 days to finish the installation, another 5 days inspection for the system running status.

100KW solar system in Nigeria hotel

Supply power to 40 bedroom house, with non-stop power supply. Increased occupancy rate by 20%

400KW solar system for factory

This solar system helps users save 7000 USD per month, can call back investment in 1.5 years, then can enjoy 25+ years free energy.

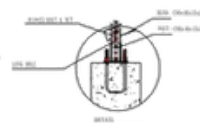

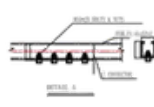

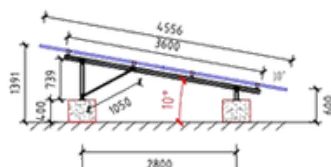

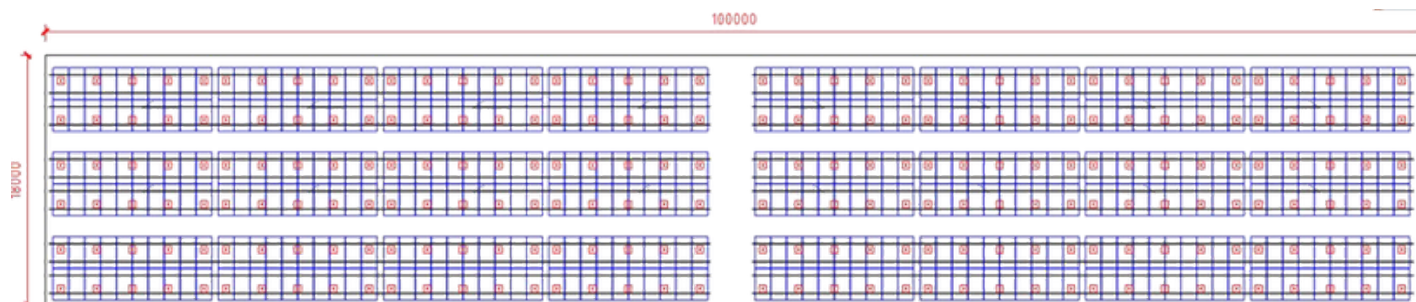

2MW solar system for factory

Solar system supply power for this factory 2334646 KWH per month.

Remark:

- 1) MOQ:1 set, Price Term: EXW factory price 2)Payment Term: 30%by TT,balance by TT before shipment; 3)We provide free system design service base on your requirement. 4)Suggest buy all system from our factory, solar panel/solar panel bracket have 25 years warranty,On grid inverter have 5years warranty.
- For warranty details,pls ask for our sale engineer to get the details for warranty. 5)During the warranty, will ship the free parts for service ,we promise our quality. 6)Delivery: Goods can be ready for shipment within 7-15 working days upon payment receiving. 7)Roof type bracket, need confirm your roof materials.
- 8)Most of our user use installation drawing and user manual to do the installation, we will provide them after you order the system.If it is necessary, we can provide training and installation service.

Our Drawing
