Wildlife and Ecology Policy

Creation date: 22.11.21 Last updated: 23.03.23

Statement of Policy

This wildlife and ecology policy is a statement of the intent of the Partners and shall apply to all operations and worksite managed by Jack Sayer - Sayers tree services Ltd

- Notwithstanding the requirement for hazard identification and risk minimisation, wildlife and ecology local to our worksite shall not suffer harm as a result of our undertakings. In particular we shall be vigilant as to the presence of European protected species, bats and nesting birds
- Prior to commencing work on site, a wildlife disturbance assessment shall be completed where there is deemed to be a risk of disturbing a protected species
- Work methods shall be planned that shall reduce the environmental risk to a level which is as low as reasonably practicable.
- The company shall ensure that the working culture encourages constructive conservation.
- Upon discovery of any unforeseen potential disturbance in the course of any works, work will immediately stop and situation reassessed.
- Appropriate advice shall be sought from qualified ecologists or other specialists if specific environmental interface issues are identified before, during or after operations.
- We are committed to complying with all applicable legal requirements:
 - [The Conservation of Habitats and Species Regulations 2017](#)
 - [The Wildlife and Countryside Act 1981](#)
 - [The Countryside and Rights of Way Act 2000](#)

In order to meet this commitment, Sayers Tree Services Ltd shall pursue the following objectives:

- To ensure compliance with all applicable wildlife and ecological legislation and guidance

- Be prepared to deal with the demands of future legislative developments
- To ensure that the working culture encourages constructive conservation
- To assist in the management of ecology
- To identify and safeguard wildlife

Employees shall be briefed and trained on wildlife and ecological practice in the field and clients shall be actively encouraged to take advantage of our commitment to constructive conservation.

This policy shall be communicated to all persons working for or on behalf of the company.
