FROM YOUR V.P and By-Law Trustee: Linda Crabtree

The Board of Trustee's would like to send out a special THANK YOU to Robert Chandler for all his years of service and involvement with Fawn Lake. His absence will be greatly missed..... Thanks BOB

The 2021/2022 School year has officially started and we want to remind everyone that there will be a lot more kids out and about. Please watch your speed and pay attention to those around you. With the Fall/Winter season just around the corner it will start being dark as the older ones are walking to the Bus Stop.... PLEASE watch for them.

Water Trustee: William Knight

If you plan on digging or excavating to a depth of more than six (6) inches PLEASE call 811 first. Once the call is placed the technicians have forty eight (48) hours to respond and mark the location of the utilities. There is no cost to you and it will prevent potential damage to your power, cable, sewer and water lines.

Please keep the area over and around your water meter clear of rocks and debris. This not only helps the meter reader but provides easy access if you should have to shut off your water in an emergency.

Our water usage for May through June in 2019 and 2020 was around 5 million gallons. For this same three month period in 2021 was 6.2 million gallons! I realize it was an exceptionally hot summer but PLEASE try to conserve our precious water where and when you can.

Terry Wright: Lake and Fish: Please contact Terry at 360-432-5864 if you have any questions or concerns or any ideas on how to better maintain our Lake.

Gate & Community Liaison: Renee Olson

Gate Updates: Thank you for your patience as we continue to have maintenance activity in the gate area. The large metal entry swing gate has been welded and secured. We are currently waiting for parts for the operating mechanism and installation of those parts. Once this is done, the entry swing gate will close each evening at the same time as the exit gate and will operate on the same schedule as the exit gate. The entry swing gate will open at the same time as the entry arm gate but please remember the larger gate opens slower and use caution as you advance in to the community. Speaking of the arm gate, parts are on order and repair and maintenance of the arm gate will be performed the same day as final repair of the swing gate. Please continue to use caution as you enter and exit the community to help avoid costly repairs to the gate system.

Update on suspicious activities in the community:

Thank you to those who responded to the email about the stolen flag. The flag has been returned. There have been a number of reports of a women entering properties and walking around, possibly casing the area and/or breaking in to cars. There has been a report of vehicles parking on a vacant property in the middle of the night and the garage door being kicked in. If you are the owner of a vacant property, please consider posting No Trespassing signs. A boat has been reported stolen from Willow Park. A number of hypodermic needles have been found in parks and roadsides.

If you see suspicious or criminal activity happening, call 911 and report it. For non-emergency suspicious or criminal activity call non-emergency dispatch at 360-426-3302. If you are able to, please get a photo or recording to submit.

FLAG (Fawn Lake Activity Group) recently met to plan our Fall and Early Winter activities.

In October we will be hosting a "Halloween Mash" for the kids in Fawn Lake. We will be asking for donations of candy, granola bars, juice boxes, etc. from the community.

November will bring a Veteran's Tribute for our veteran's and active military in the community.

Either late November or early December we will host the Christmas Craftsman's Fair.

More details will be coming on each of these events so stay tuned! In the meantime, stock up on treats, dust off your uniform or pull out those service pictures and tell your artistic and crafty neighbors to get ready! A community that plays together thrives. Let's play!

FLAG would also like to say "Thank you" to those involved in the return of our stolen flag. It takes all of us, young and old, to make this community the best it can be.

A LOOK AHEAD

“All Fawn Lake Residents:” Would you like to be a part of a Community Directory for Fawn Lake? This directory will be distributed via email in a pdf format to all who choose to participate. Only Those Who Respond will be included in this **VOLUNTEER** directory. This is a community member project and will not take time from office staff.

PLEASE NOTE: YOUR NAME, ADDRESS OR CONTACT INFORMATION WILL NOT BE INCLUDED UNLESS you respond with interest to the email below. If you would like to participate or have questions, email Heather Tremblay at flowgroup@gmail.com with your questions or directory contact information, which may include your name, address, email and phone number.

From Heather T, F.L.O.W

Happy Birthday to all Fawn Lake Residents with SEPTEMBER Birthdays!!!

Keep those cans coming! The proceeds from recycling will be donated to FLAG to help fund our community events. There are large recycle bins placed on the back side of Well House #3 near the Office for all community members to place their clean cans in. Please remember:

- ◆ Only aluminum beverage cans—no tin cans, plastics, garbage, etc.
- ◆ Only CLEAN cans—please insure cans are rinsed before placing in container. This keeps bacteria, odors and bees at bay and makes it much nicer for our volunteers to deal with the cans. THANK YOU!

Communicate with the Board

If you have a question, comment, compliment or a complaint you would like to voice to the Board or directly to one of the Trustees or Officers, pick up a form at the information center in Bryant Hall. The Board cannot address your concerns if we don't know what they are. We want to hear from you!

To address the Board of Trustees in person, you can submit a request to speak at a Board meeting. Be sure to provide the topic you'd like to discuss or the question you want to ask the Board **at least two weeks before the meeting date.**

Drop off your request at the Office. To speak to a Board member, call the Office and request a call back. Contact information is listed on the front page of this newsletter.
