Sacramento Cat Hospital Boarding Admission Form

All pets entering the hospital must be current on vaccinations for FVRCP and Rabies. They must also be free of external parasites (fleas, ticks, ear mites, etc.). I authorize the Sacramento Cat Hospital to treat for external parasites if my pet should have any and I know I am responsible for the cost of treatment.

All cats boarding with the Sacramento Cat Hospital are unsupervised during the night, but are in secure housing and in a safe environment.

I authorize the Sacramento Cat Hospital to do whatever is necessary in case of an illness or an emergency situation. I understand that I am responsible for all medical and surgical costs incurred, unless prior arrangements have been made with the Sacramento Cat Hospital. I am placing a financial limit of \$ for additional costs for emergency care of my pet(s). (Minimum of \$300/cat)			
Please list any additional procedures you would like us to do:			
What food does your cat(s) eat Dry Food:	?	Wet Food:	
If medications are necessary for treatment or handling of my pet, I give permission to Sacramento Cat Hospital to administer such medications. Current Medications: Dose: Frequency: Last Given:
