Dear Prospective Debutantes and Parent(s):

The Swans Club of the Inland Empire is accepting applications for its 2022 Debutante Program. The Debutante Program focuses on assisting high school girls with making the transition from teenagers to young women and bridging the gap between high school and college. Interested candidates must currently be high school juniors with a G.P.A. of at least 2.0; interested high school seniors may apply if they will be attending college locally.

Attached you will find an application form and a list of general requirements for Debutantes. The application process includes submitting the **completed application**, a **copy of your unofficial transcripts** that include your fall 2020 grades and **two letters of reference** from someone who knows you in a professional capacity, such as your minister, school counselor, teacher, etc. Letters from personal friends or relatives are not acceptable. Please complete the application and mail all documents to The Swans Club at the address above, or you may attach them to an email and send to theswans.1960@gmail.com by **Thursday, February 10, 2022**.

The Swans Debutante Committee will evaluate all applications. If your application is accepted, your parents and you will be invited to attend the **2022 Debutante Orientation Meeting on Saturday, February 26, 2022 at 10:00 a.m.** Save the date, because the meeting location will be emailed to you. Information regarding the responsibilities and obligations of Debutante participants and parents and the payment of the program registration fee of \$100 will be shared at this meeting.

If you have any questions, or if you know of any young ladies who are also interested in participating in the Swans Club Debutante Program, call me, Mrs. Theresa Mays, Debutante Coordinator, at **(951)775-1635** or Ms. Teresa Brown, President, at **(909) 997-5373**. **You may also email us at theswans.1960@gmail.com** or contact any other known Swans Club member.

I look forward to hearing from you and receiving your application regarding participation in the outstanding program that the Swans have planned for 2022. We look forward to the season to come.

Sincerely,

Theresa D. Mays
