

November 29 to December 03, 2021

## Focus for this Wed

- Reading: "Fill A Bucket", by Carol McCloud and Katherine Martin
- A delightful little book to warm the hearts of young children and teach them how to experience the joy of giving and receiving and feel the happiness through being kind.
- Language & Communications: Letter "G"; practicing recognition, sounds, and sensory experience of letter "G" by using an amazing multi-sensory program "Zoo-phonics".
- Math: Introducing comparison of quantities (less or more) and also sorting objects by size & colors. Continuing on the patterns, Number Recognition, Rote Counting & 1:1 correspondence.
- Fun with Arts & Crafts
- Friday is Sharing Day: Childs bring thing/toy that starts with letter of the week "G". If kids don't have toys regarding letter then have them draw a picture of anything related to the letter of the week and practice telling three things about that picture.

Welcome to our newsletter. This week, we will learn the positive attribute with bright illustrations and beautifully written sentences of a book "Fill A Bucket". Kids are taught a metaphor to be kind and loving towards themselves and others.

In this book, author explains that being happy isn't just a feeling; it's something that you carry with you all day. You can make yourself happy by making other people happy and by accepting kindness from others.

Please use this newsletter to help talk with your child about the things we have been doing in school and review/reinforce concepts and skills at home.

I would appreciate you for being involved in your child's journey.

Thank you.

Ms. Saima
