

December Newsletter

December 06, 2021 to December 17, 2021

Last Week's Accomplishments

- We focused on letter G
- Enjoyed story: "Fill A Bucket"
- Focused on comparison of quantities & sorting objects

Focus For Next 2 Weeks

- **Reading:** "A Look at Magnets" Book by Barbara Alpert
- **Language & Communications:** Letters "H and I"; practicing recognition, sounds, and sensory experience of letters "H and I" by using an amazing multi-sensory program "Zoo-phonics".
- **Math:** Continuing on comparison of quantities (less or more), Sorting objects by size & colors, Patterns, Number Recognition, Rote Counting, and 1:1 correspondence.
- **Fun with Arts & Crafts**
- **Friday is Sharing Day:** Childs brings thing/toy that starts with the letter of the week "H and I". If kids don't have toys regarding letters then have them draw a picture of anything related to the letter of the week and practice telling three things about that picture.

Welcome to our newsletter. This week, we will introduce our kiddos to the science behind magnets! through the book, "A Look at Magnets" by Barbara Alpert.

This book introduces emergent learners to the basics of magnets, including how they work, magnetic fields, and more.

Please use this newsletter to help talk with your child about the things we have been doing in school and review/reinforce concepts and skills at home.

I would appreciate you for being involved in your child's journey.

Thank you.

Ms. Saima

Reminder

Winter break from
December 20, 2021
to
December 31, 2021
