

January Newsletter

January 10, 2022 to January 21, 2022

Welcome to our newsletter.

In the coming weeks, we will focus on the stories:

"The Mitten"

Story of a young boy when he drops his white mitten in the snow, he goes on without realizing that it is missing.

Through this, kids will learn sequencing and predicting, and also the kids will learn how to retell a story in their own words.

We will introduce our kiddos to the book,

"Animal In Winter"

Through this kids will learn many different ways animals cope with winter, including migration, hibernation, and food storage.

Also, we will focus on **problem-solving skills** in Social Emotional Learning because it is an important way of learning and it motivates children to observe, judge, and act quickly when difficulties arise.

Please use this newsletter to help talk with your child about the things we have been doing in school and review/reinforce concepts and skills at home.

I would appreciate you for being involved in your child's journey.

Thank you.

Ms. Saima

Focus For Next 2 Weeks

- **Reading:** "The Mitten" by Jan Brett
- "Animal In Winter" by Henrietta Bancroft and Richard Van Gelder
- **Social Emotional Learning:** Work on "problem-solving skills".
- **Language & Communications:** Letters "K and L"; practicing recognition, sounds, and sensory experience of letters "K and L" by using an amazing multi-sensory program "Zoo-phonics".
- **Math:** Introducing Measurements, Review Sorting objects by size & colors, Patterns, Number Recognition, Rote Counting, and 1:1 Correspondence.
- **Fun with Arts & Crafts**

Reminder

- No school on Martin Luther King Holiday, Monday
January 17, 2022

**Theme for
this month
is Winter**
