

January Newsletter

January 24, 2022 to January 31, 2022

Welcome to our newsletter.

In the coming weeks, we will focus on
"Arctic Animals"

We will learn facts about Arctic animals and will know how they survive in winters.

Also, we will continue on the book,
"Animal In Winter"

Through this, kids will learn many different ways animals cope with winter, including migration, hibernation, and food storage.

Also, we will focus on **"good manners"** in Social Emotional Learning because having good manners is an incredibly important life skill. It's hard, but developing your kids' manners beyond please and thank you, is critical. Through this, kids can grow emotionally, socially, and academically.

Please use this newsletter to help talk with your child about the things we have been doing in school and review/reinforce concepts and skills at home.

I would appreciate you for being involved in your child's journey.

Thank you.

Ms. Saima

Focus For This Week

- **Reading:** Introduce "Arctic Animals"
- Continuing on "Animal In Winter" by Henrietta Bancroft and Richard Van Gelder
- **Social Emotional Learning:** Introducing "good manners" and continuing on "problem-solving skills"
- **Language & Communications:** Letter "M"; practicing recognition, sounds, and sensory experience of letter "M" by using an amazing multi-sensory program "Zoo-phonics".
- **Math:** Introduction and practicing "Number Writing" and "2-D Shapes".
- **Fun with Arts & Crafts**
