

# February Newsletter 2022

Welcome to our newsletter.  
In the coming weeks, we will focus on the five senses.

Also, we will continue on "**good manners**" in Social Emotional Learning because having good manners is an incredibly important life skill. It's hard, but developing your kids' manners beyond please and thank you, is critical.

We will introduce what are red choices and green choices.

Please use this newsletter to help talk with your child about the things we have been doing in school and review/reinforce concepts and skills at home.

I would appreciate you for being involved in your child's journey.

Thank you.

Ms. Saima
