

# April Newsletter

2022

Welcome to our newsletter.

In the coming weeks, we'll focus on our spring theme and will learn about "life cycle of a plant", "life cycle of a butterfly", and about "insects and bugs".

We'll celebrate earth day.

We'll focus on rhyming words and positional words as well as we'll do activities related to Ramadan.

We'll Introduce friendship to our kids, in Social Emotional Learning because it is very important for kids moral development.

Learning about Friendships help children develop important life skills like getting along with other people and sorting out conflicts and problems. Children with these skills are less likely to have social and emotional difficulties later in life

Please use this newsletter to help talk with your child about the things we have been doing in school and review/reinforce concepts and skills at home.

I would appreciate you for being involved in your child's journey.

Thank you.

**Ms. Saima**

- **Reading:** This month we will read several books and watch different short videos to explore delightful season of spring and will learn about "life cycle of a plant", "Life cycle of a butterfly", and about "insects and bugs". We will celebrate Earth day as well.
- **Social Emotional Learning:** We will learn, "How to make friends?"
- **Language & Communications:** Letters "W,X,Y,Z"; practicing recognition, sounds, and sensory experience of letters "W,X,Y,Z" by using an amazing multi-sensory program "Zoo-phonics".
- Introduction of positional words and will continue working on rhyming words
- **Math:** Introduction of "graphing" and we will continue working on "measuring, missing numbers and comparisons".
- **Fun with Arts & Crafts**
