

Curriculum Options:
Free & Low Cost Online Curricula Options
And Other Online Curricula
Workbook or Textbook Curricula

Here are different types of curricula that you can choose from or we can help you choose:

www.allinonehomeschool.com - Easy Peasy and it is free online but you can order some reasonable books to work in for about \$7-\$9.

www.powerhomeschool.org - by Acellus which is \$25/month.

Other online curricula that you might like to go online and view the demos:

www.time4learning.com

www.aop.com/monarch

www.keystoneschoolonline.com

www.americanhighschool.org

www.laurelsprings.com

www.acsi.org

Of course, there are other types of curricula including fill-in-the-blank workbooks like AOP Lifepacs. There are curricula with textbooks and worksheets. Both of these have quizzes and tests for the student to complete plus a Teacher's Guide with the answers to determine their grades.
