

WWW.SOCIALGROW.WORLD

Participant/Member Photo-Video Release

Name of Individual (Please Print): _____

Periodically, Social Grow may utilize photography or videography for a variety of purposes. Some possible uses may be included in the development of conference presentations; social media content, online website content presented on www.socialgrow.world, and promotional content given to bring awareness to upcoming events, social clubs, live performances, and productions presented by Social Grow. All negatives, prints, videotapes, and associated media files remain the property of Social Grow.

- o Social Grow takes matters of privacy seriously and presents everyone with the option to accept or decline participation in these activities and scenarios. We ask that you accept or decline each of the following listed below.
- o At any time during or after your membership with Social Grow, you may change your mind and grant or prohibit any future photography or videography and may do so by completing and submitting an updated version of this document.
- o Any releases or consents you sign at a Social Grow special event will supersede this document for the purposes of photography or videography at those events.

I, _____ (printed name of individual or individual's legally responsible person),

have reviewed the list below and have specified my preferences by initialing the appropriate boxes pertaining to photography or videography of the individual named at the top of this form.
