

GENERAL PHOTOGRAPHY POLICIES

- The Edinburg World Birding Center restricts the use of props to certain areas in our grounds. Please contact our office for more information on allowed props and their designated areas. All props **must** be removed from the site.
- The use of balloons is allowed, but photographers and their guests are prohibited from releasing them. The use of confetti is strictly prohibited.
- Moving or removing plants or structures that are part of the Wetlands is **strictly prohibited**.
- No photographers, assistants or subjects may step in garden beds, on water features, inside ponds, or places other than on designated paths and grassy areas. Climbing or mounting equipment in trees or on buildings is not permitted.
- All photo subjects must be fully and appropriately clothed. Swimsuit photo shoots are not permitted. Apparel changes are not allowed on the grounds. Please use restroom facilities located in the Interpretive Center or nearby Municipal Park to change.
- All cords or wires must be placed and guarded in a way that doesn't alter the pathways and put Wetlands visitors at risk.
- Photographers will be held accountable for their actions and those of clients, crew members and subjects if they damage Edinburg Scenic Wetlands & World Birding Center facilities and property.
- The transportation of personal belongings such as props and camera equipment is undertaken at your own discretion and risk. Kindly refrain from requesting staff members to monitor or safeguard your belongings.

RELATED RULES

- Clients are encouraged to arrive camera-ready, as there are no dressing room facilities. On site restrooms can be used, but are only accessible 8 am to 5 pm, Monday – Saturday.
- Display your permit prominently on your chest area or equipment.
- Set up your shoot in a manner that does not impact visitors or disrupt events and maintenance.
