# Mystery Harvest Quilt Shop Hop

October 1 to October 4, 2025  
9 am to 7 pm Wednesday to Friday;  
Saturday 9 am to 5 pm

**J**oin us for a quilting adventure through scenic Kentucky, Ohio and West Virginia. This 4-day event is filled with fabric, fun, friendship and prizes. It will indulge your love of quilting while absorbing the natural beauty of these states. Each of 12 quilt shops will have a special sale, its own block pattern, block framing kit, fabric kit as well as beautiful samples using the unique fabric designed especially for your quilting enjoyment. When you collect the framing kits from each shop, you can create your own wonderful quilt as a memory of your journey, as well as receiving a gift for visiting all 12 shops.

**M**yystery Harvest Shop Hop started 19 years ago with quilt shop owners from three states joining together to promote their love of quilting. A “mystery” of unique fabric, special discounts, patterns, demonstrations and refreshments make this a favorite of quilters. This year the “mystery” will only add to the uniqueness of this shop hop.

**J**oin us for the 2025— Mystery Harvest Shop Hop, a truly unique quilting experience. We hope you enjoy the natural beauty as you meander through Kentucky, Ohio and West Virginia. GPS is not always accurate, so call ahead if you are unsure of directions. We will be happy to help you. You can always check out each quilt shop on Facebook. Just search the shop name.
