2. Referee course-August 22<sup>nd</sup> & 28<sup>th</sup> @ 6:30 -Stanley Park-Hannah is in charge of this training. FB post will be placed.

Fields-Chris-Benches have been painted. Woronoco and the Intermediate school have been lined. Request help from Town coaches and families to assist lining at Stanley Park this Sat. 8/17 @ 8:00.

Gear-Eric We filled 60+ balls and filled all Town coaches' bags. Need to request pinnies, dry erase clip boards, banners from DSG. Use DSG gc's for goalie gloves and magnetic clip boards. Discussed, the need to place the order for the coaches' gear.

#### Travel

3. Coach certification for fall/CPR course- 6 in attendance for CPR training. Coach certification is underway.
4. We had 7 players withdraw from the girls U9 team. Numbers are still good to field one GU9 team. New coach is in place. Looking for an assistant. Emily will be available to offer support during practices.
5. U13 Southwick player requested to join our travel team. We voted "no." We already cut some Westfield players and felt it would not be a fair move. Offered her to join our Town program, if she would like to.

Discussed a relationship with the Revolution-Crystal is heading that program. Maybe a possible coach's appreciation, option.

**\*Upcoming meeting: 9/12, 10/20, 11/18- All meetings will be at 7:00 @ T&B, unless otherwise notified.**
