Dear LCFA Buyer and Supporter,

The Limestone County Fair Association (LCFA) is pleased to announce that the 2021 Fair and Youth Livestock Show is on the calendar! The youth of Limestone County will start showing on Tuesday, March 23, 2021, and the fair will conclude on Saturday, March 27, 2021 with the ***Commission-Free Youth Project Sale***.

This year, youth exhibitors are the stars of the fair. We are diligently working to host the many fair events from the past years, but this year we are specifically focused on the youth exhibiting their skills and projects in a safe environment. We need your donations and sponsorships to help provide the youth with as normal of a fair experience that current circumstances allow. Although the fair may be different this year, the hard work that the youth have put into their projects has not changed!

We are committed to continuing a commission-free auction as we have had since 2001. The commission-free sale has been driven by the proceeds obtained from concession stand profits; but more importantly, from the generous contributions of local community members through various fund-raising events and business sponsorships.

LCFA is seeking your support for the 2021 Fair and Youth Livestock Show and will greatly appreciate your sponsorship or donation. The enclosed form provides the sponsorship opportunities that we are offering. Please indicate your preference on the form and return to the address below. ****We are excited to offer a pay by credit card option, to utilize this option please go to www.limestonefair.org/sponsors and click on the SPONSOR NOW button.****
