January 8, 2024

Dear LCFA Buyer and Supporter,

The Limestone County Fair Association (LCFA) is excited that the 2024 Fair and Youth Livestock Show will be here soon! The Limestone County Fair and Youth Livestock Show will begin March 16, 2024, with the LCFA Kick-Off Concert and will conclude on Saturday, March 23, 2024, with the *Commission-Free Youth Project Sale*.

The 2024 Limestone County Fair is dedicated to Mr. Arnold and Mrs. Penny Gray. We encourage you to read about Mr. & Mrs. Gray, their awesome story, and their commitment to Limestone County on our website www.limestonefair.org. We will always be grateful to them for their dedication to and support of LCFA.

LCFA strives to make the fair better each year. For 2024, we have added the Tools of the Trade Grant. In addition to our ever-growing scholarship fund, LCFA is committed to Limestone County entrepreneurs who plan to enter the workforce upon high school graduation. We believe in supporting youth who plan to better our community, whether that be through beginning their careers immediately or via college. Through your generous donations, LCFA was able to provide over \$80,000.00 in scholarships in 2023, and we hope to continue to provide scholarship opportunities and now grant funding to our youth.

Gold Star Amusements will be providing carnival rides again this year from March 21, 2024, through March 24, 2024. Last year's carnival was a great addition, and your continued support is very much appreciated. William Clark Green and Cody Hibbard will be performing at the Limestone County Fair Kickoff Concert on March 16, 2024. VIP Tables and general admission tickets are available to purchase. Back by popular demand will be the calf scramble, and this fair we will be including younger youth that wish to participate in the 2025 Limestone County Fair.

We are committed to continuing a commission-free auction as we have had since 2001. The commission-free sale is driven by the generous contributions of local community members through various fund-raising events and business sponsorships. Limestone County Youth have worked tirelessly on their projects, and your support at the auction is essential for a successful Livestock Show and Fair. We hope to see you March 23, 2024, at the auction supporting our youth and purchasing their projects. Goodman Air Conditioning, Heating, & Appliance will be providing the buyer's lunch at 12:30 p.m. the day of the auction.

LCFA is seeking your support for the 2024 Fair and Youth Livestock Show and will greatly appreciate your sponsorship or donation. The enclosed form provides the sponsorship opportunities that we are offering. Please indicate your preference on the form and return to the address below. There will be a banner displayed during the Fair for all sponsorships. LCFA is a non-profit organization and **ALL** proceeds from our donors and sponsors benefit the youth of Limestone County. As a friendly reminder, LCFA is a 501(c)(3) non-profit organization, which could make your contribution tax deductible.

Please visit our Facebook page and website at www.limestonefair.org for updates on the schedule of events and news. Enclosed is a tentative schedule for the 2024 fair, please note there are some changes to the schedule.

Thank you once again for your continued support of our Limestone County Youth.

Sincerely,

/s/ Ty deCordova
