Re: Citizenship Evidence

Please find the enclosed Citizenship Evidence Affidavit, already on file with the US Secretary of State in Washington, D.C., declaring my status as a 'state National citizen' (not to be construed with any form of 'sovereign' or 'sovereign citizen declaration or claim.)

It is my wish to conduct my life and affairs in accordance with natural law and the laws of my creator, specifically to keep my word, to honor the rights of others, and to do no harm. Please adjust your actions, as well as the actions of any directly or indirectly affiliated agencies, offices, officials, departments, divisions, contractors, subcontractors, nominees, successors, assignees, third parties and all other cooperating agencies present and future accordingly. Please place all enclosed documents in my administrative file.

Note: proper service of Notice can also be done if a third party not involved in the case delivers it in person to the agency or people that are to be Notified. Look up the rules for this to avoid a mistake in proper service.
