I thank all parties who have given factual historical references to the events that unfolded during the American Civil War. I thank Dianne for the books about the true history of Lincoln. The following is a compilation of information from these sources including my own input concerning this history. Please research anything that is presented here for inaccuracies and report them to me with evidence and I will correct this information in the future.

Also, I reference the Holy Bible for good reason. This enemy knows the Bible very well and everything that they do relates to the Bible in some way. It doesn't matter what any of us think about religion or the Holy Bible, it matters what our enemy believes. If we do not understand our enemy, we cannot defeat them.

This video is meant as a brief outline of the true history and motives for the American Civil War. What we have been taught in public schools is mostly lies to elevate members of the Kazarian Jewish Mafia and the Luciferian Masons to the status of "gods" as their cult religion promises them that they can become. See: the Lincoln "assassination" which made him a martyr, The Kennedy assassination, Reagan attempted assassination, Trump attempted assassination and so on. These were all staged. They do not kill their own. They have god-like fame and control of people everywhere. That is what gods do.

Prior to the American Civil War, this country operated under God's common law, i.e., the law of the land. The Constitutions were put in place to enforce the law of the land. Each state was considered its own Nation state. The only political status in this country was a state citizen. If you were a citizen of one of these states, you were considered an amalgamated citizen under the United States of America. So, if you were the citizen of a state, you were a citizen of the Nation. This is where the term "National" comes in. You were a state National citizen. (Small s in state-they were not corporations yet).

The American Civil War was started by the Rothschild Jews who funded both sides of the conflict to put the real, unincorporated American government deeply into their debt and to push it aside. What the Kazarian Jews wanted in return for their "investment" in this staged war was that the people in this country be used as collateral on the debt. This is how the Kazarian Jewish Mafia has taken over nearly every country in the world to this point, and they have staged the final war, WW3, as was predicted and planned in part by 33<sup>rd</sup> degree Luciferian Mason Albert Pike in his 1871 book "Morals and Dogma". This final war is to bring in the New World Order and enslave all the world's people under one Satanic Luciferian government and Jewish Noahide Laws.

First, understanding the basic history of this Jewish mafia is crucial. The Satanic Kazarian Jews have a long history of murder, theft, name-stealing and name-changing. Their original country, Kazaria, is now Ukraine. These Kazarian Jews sacrificed children to Satan and their demon gods in the cruelest fashion. These are 9<sup>th</sup> circle Satanists which consider themselves to be the closest to Satan in hell. See: Dante's Inferno.

These Jews are the ones that we are warned about in the Holy Bible. I paraphrase: Beware of those who say that they are Jews but are not, for they are of the synagogue of Satan. See Revelation 2:9-11 and 3:9. Some 1500 years ago neighboring countries forced these Satanists to adopt another religion, to quit murdering merchants, stealing their names and goods to steal and murder even more, and to quit sacrificing children to their demon gods. The Kazars decided to become Jews. These Kazarian Jews not only continued to sacrifice children, but they also torture them in manners that I will not describe here to get the adrenochrome levels up in their blood, then they drink that child's blood and eat that child's flesh. They are true vampires. They blaspheme God at every turn, and innocent children are the most precious to God. This is partly what is required to be in the 9<sup>th</sup> pit of hell next to Satan.

These are the lying Jews that founded Israel, which was not a country in the Bible, but a man. You can see them in their black and white Masonic colors, some with the black cube of Saturn-Satan worn on their foreheads. See Revelation 13:16-17. The mark of the Beast. God also does not choose his people; his people choose him. Again, the Satanic upside-down hypocrisy.

These Satanic Jews freely call non-Jews "Goyim," which means cattle. They consider us cattle and slaves because we do not understand our own enslavement and believe what we are taught in their schools. By way of deception, we are enslaved under a false government ran by these Jews and Masons.

Satanists are hypocrites on purpose. They say exactly the opposite of what they really mean, and then laugh at the foolish for believing them time after time. They mock the Bible at every turn, and what does the Bible say about hypocrites? Job 34:30-That the hypocrite reign not, lest the people be enslaved. And now we have been enslaved, but we can become free under God's common law, i.e., the law of the land once again.

Lincoln was the "president" selected to oversee the American Civil War. He is from the illuminati bloodlines and is said to be a descendant of Vlad the Impaler, Count Dracula. He was to accomplish the passing of the 13<sup>th</sup> Amendment and to keep the bloody war going for a variety of reasons. He accomplished murdering some 670,000 people because he loved the people so much. His grandpa Vlad would be proud.

Here are some passages from the book "Lincoln Unmasked" by Thomas Delorenzo.

As soon as he was elected, but before his inauguration, Lincoln "instructed Seward to begin the procedure to enact a constitutional amendment that would say "The Constitution should never be altered so as to authorize Congress to abolish or interfere with slavery in the states."

Lincoln illegally suspended the writ of habeas corpus and had his military imprison tens of thousands of Northern political critics and opponents without due process; he censored all telegraph communication; shut down the over three hundred opposition newspapers; imprisoned dozens of duly elected officials in Maryland; participated in the rigging of Northern elections; waged war without the consent of Congress; illegally created a new state, West Virginia; and deported the most outspoken member of the Democratic opposition, Congressman Clement L. Vallandigham of Ohio.

Lincoln famously said of Ulysses S. Grant (A Mason) that he admired him and would stick with him as the commander of the army of the Potomac because "he fights." In other words, Grant was the general who would never stop killing his fellow citizens, no matter how many of his own men were sacrificed in the process.

Lincoln also refused all proposals for peace concerning the American Civil War.

Back to the 14<sup>th</sup> Amendment. The hypocrisy of the 14<sup>th</sup> Amendment is that it provides “equal protection under the law” that means their law, maritime law, federal citizenship, not the law of the land, and gave “privileges” instead of God-given rights, Civil Rights instead of Constitutional rights, and gives “equal protection under the law to all people, including non-citizens within its jurisdiction.” This gives so-called “refugees” the same “privileges” as Americans that are duped out of their God-given rights and are placed under a federal citizenship by deception and by semantics in the wording of the document. Now, we see these “refugees” which are mostly illegals flooding this nation and getting the benefits of the 14<sup>th</sup> Amendment without being an actual “citizen” of the federal corporate government. One would think that what is happening now was planned out far ahead of time for just this moment.

The first sentence of the 14<sup>th</sup> Amendment is where much of the deception is, but we need to understand that the 13<sup>th</sup> Amendment was set up prior to the 14<sup>th</sup> Amendment in order to carry out this false and enslave people under “voluntary servitude.”

The 13<sup>th</sup> Amendment states that “neither slavery or involuntary servitude is permitted in any state unless a person has been duly convicted of a crime shall exist in the United States, or any place subject to their jurisdiction.”

Notice that the term “voluntary servitude” is exempted from the 13<sup>th</sup> Amendment? Voluntary servitude is thus legal by exemption. The use of the word “their” is also important as it is passed for the states, i.e. “Their” jurisdiction. “Their” is plural, not singular.

In the book “Lincoln Unmasked” by Thomas Delorenzo, “The phrase the “United States” is always plural in the Constitution and all other founding documents, signifying not one consolidated government, but a confederacy of states.”

After the war, Southern legislators were allowed back into Congress to vote on the 13<sup>th</sup> Amendment on Jan. 31, 1865. These same Southern legislators were kicked out of the Union unless they ratified and passed the 14<sup>th</sup> Amendment into law. Prior to this, the Southern states wanted to remove themselves from the Union, now they are kicked out and extorted in order to pass the 14<sup>th</sup> Amendment.

The first line in 14<sup>th</sup> Amendment states: “All persons born, or naturalized within the United States, AND subject to THE jurisdiction thereof, are citizens of the United States and of the state wherein they reside.” According to Roger Sayles on his site [globalvoiceradio.net](http://globalvoiceradio.net), “The first landmine is the word “and” linking the first two portions of the sentence together. The first qualification is “all persons born or naturalized,” and the second is “and subject to THE jurisdiction thereof.” THE jurisdiction thereof” refers to the Federal government. ““THE” is singular in this sentence which is distinct from the 13<sup>th</sup> Amendment that refers to THEIR jurisdiction which is the states. Now you have the plural and the singular.

The two sentences are not mutually exclusive. You cannot have someone born or naturalized in the United States without them being a citizen of the federal government according to the 14<sup>th</sup> Amendment’s use of the word “and”. How is the 14<sup>th</sup> Amendment “the great equalizer”? Is it because it can make nearly everyone a slave regardless of race?

How can this sentence entrap us? How did we enter voluntary servitude under the 14<sup>th</sup> Amendment? Good questions. This government will ask you “Are you a US citizen or citizen of the United States?” and “Are you a resident” of whatever state that you live in? If you answered “yes” to these

questions, you just agreed to your own voluntary servitude as a federal citizen under the 14<sup>th</sup> Amendment. That is what a “US citizen or citizen of the United States” is. This is contract law under a corporate so-called “government.” You have the option to be a state National citizen which places you under the law of the land, i.e., God’s common law. You can exit this voluntary servitude that this fraudulent government has placed you under. We will discuss this later.

This “government” became a corporation in 1871. Now all the dominos are in place to topple land law governments and enslave all citizens under corporate maritime law and federal US citizenship by the end of WW3. The 14<sup>th</sup> Amendment slave contract has worked, and most people have no idea that they were born into slavery and are taught in their schools that they are “free”.

Also, 1871 is when Luciferian Mason Albert Pike published the book “Morals and Dogma” which outlines the three world wars and how they will be accomplished. This is no coincidence. Everything is scripted by the Satanic Luciferians far ahead of time. This is a Satanic movie, and the people that represent this criminal government are all actors on a stage including every selected-elected official right up to the corporate CEO/President. That includes all presidents from Lincoln on including JFK, Trump, Biden, and so on.

We can peacefully stop them by opting out of the “voluntary servitude” of the 14<sup>th</sup> Amendment and become state National citizens under God’s common law, the law of the land again. This country is operating under two citizenships and two governments. This fact is backed up by their own court rulings.

It is important to note that all laws passed after 1860 are not legal under common law. The 70,000 plus codes, rules, bills, mandates, executive orders and so on are to further enslave us under mounds of red tape and to rob us at every turn including taxation without representation.

God’s common law is easy for anyone to understand. If there is a crime, there is a victim. A victim of a crime is compensated for the injuries incurred on them by the criminal. A jury of your peers is selected to hear your case. A judge may sit as a mediator and answer any questions that the jury may have. A jury has the right to throw a law out if they agree that it is not for the benefit of the people. (No juries are fully informed of this ability in this corporate government.) The sentence is carried out quickly and there are no appeals.

The military, under the law of the land, can protect our borders from invasion and protect our nation from those attempting to overthrow our land law government from within as this corporate government is doing. Our real military has no authority to wage war against other nations. Only the military mercenaries of the corporate government do this which means that they are not our military.

The penalty for treason against the United States under the law of the land is death by being shot or hung. It does not take a jury to do this. Your local sheriff can make it happen, but many of them are corporate shills and Masons which means that they are guilty of the same crimes. We are witnessing treason against we the people on a mass scale once again. Satan’s short season must end.

How to exit the Matrix of deception?

I looked and found an easy way to change my citizen status, and it will work for a passport application too. This won’t affect anyone’s social security either. I was contacted by someone who used methods put together by Roger Sayles on his website [globalvoiceradio.net](http://globalvoiceradio.net). Please look at this site and go to “New students start here.” Roger backs up everything with case law, lots of it. That is important if they

challenge you about your change in status or for any other legal reason if they oppose you. If this is done right, I see no issue.

All that is required is that one document be notarized called "Affidavit of Citizenship Evidence" and another one to the US Department of State in Washington D.C. requesting that your change of citizenship be placed in your file which is signed by you.

The Affidavit of Citizenship states " I, (your name here), being duly sworn, under penalty of perjury of the laws of the United States of America hereby declare my intention to be a national, with God given Constitutionally protected Rights and not a "", in a condition of voluntary servitude with civil rights, under the scope and purview of the 14<sup>th</sup> Amendment." The next paragraph states "As a Nation I am 'non-resident' to the residency and 'alien' to the condition of 'voluntary servitude' of the 14<sup>th</sup> Amendment. National status is deceptively identified at 26 C.F.R. 1.1-1(a) as a 'non-resident alien'. Under that is a line for your printed name, under that, a signature line, under that is your social security number, and lastly a place for the notary to sign, date, and stamp your document.

The second document is to the U.S. Department of State, 2201 C. Street, Washington D.C. 20520., attention records department. Dear Sirs; I am contacting your office at this time to request a change in my citizenship status from US citizen to small 's' state National citizen. Please adjust your records accordingly and place this request and change of citizenship status firmly and permanently in my file at this time. Thank you for your service and assistance. Then place your written name, signature, and last 4 digits of your social security number on it. This second document does not need to be notarized.

Make a copy of these two documents and keep the originals in a file. Send the required documents to the United States Department of State certified with a return receipt. Once you get the return receipt, you can follow Roger's directions to get a passport. A driver's license is not necessary for identification and links you to the corporate government under the 14<sup>th</sup> amendment slavery clause. Under the law of the land, you are not required to have a driver's license. Only commercial drivers are required to have one.

Another letter that you should send with evidence of your change of citizenship status is titled "This is not a filing; this is a Legal Document." followed by the address of the IRS office nearest to you. Under this address it says, "The notice to the principle is notice to the agent, the notice to the agent is notice to the principle." Next paragraph says "Please find citizen evidence enclosed to change national status. The third and last paragraph says "Please place this legal affidavit firmly and permanently in my administrative file. Affidavit filed with the U.S. Secretary of State Office Washington D.C. This should opt you out of being taxed by this criminal organization.

Here are some examples of the required documents. I am not giving legal advice, and these are examples only. I recommend that you go to Roger Sayles' website so that you can educate yourself further.

If you have taken other measures to remove yourself from this criminal government, this process may be an additional step to take to avoid legal problems in court if and when they may arise concerning your citizenship status. This method is backed by a lot of case law that can be used against this criminal government if such a need arises.

I will make another video that explains how this criminal government kidnaps children with no due process of law. Removing yourself from the voluntary servitude of the 14<sup>th</sup> amendment could help with this. Your children are not under any contract with this criminal government, but you are unless you change your status. Telling Health and Welfare CPS and others that you are not a US citizen could mean the difference between your children being taken or not. A contract can only be between those who are old enough to understand the contract and to agree to it. Spread the news that we are slaves no more.

God Bless.
