Current Academic Positions

University of Essex
Reader, Department of Government Jan. 2022 – present

Advance Higher Education, UK
Senior Fellow of the Higher Education Academy August 2021 – present

Prior Academic Positions

City, University of London
Senior Lecturer in International Political Economy Sept. 2019 – Dec. 2021
Deputy Head of Department April 2020 – Dec. 2021

Center for Research and Teaching in Economics (CIDE), Mexico
Full Professor of Political Science July 2015 – August 2019
(Sabbatical Leave 2018 – 2019)
Associate Professor of Political Science July 2009 – July 2015
(Sabbatical Leave 2012 – 2014)
Assistant Professor of Political Science July 2001 – July 2009
(Leave of Absence 2004 – 2005)

Other Academic Appointments

National Council for Science and Technology (CONACYT), Mexico
Sabbatical Fellow (on Sabbatical Leave) 2018 – 2019

University of São Paulo (USP), Brazil
Visiting Professor of Political Science (on Sabbatical Leave) 2018 – 2019

Alexander von Humboldt Foundation, Germany
Research Fellow (on Sabbatical Leave) 2012 – 2014

German Institute for Global and Area Studies (GIGA), Germany
Visiting Scholar, Institute of Latin American Studies (ILAS) (on Sabbatical Leave) 2012 – 2014

National Council for Science and Technology (CONACYT), Mexico
National Researcher, Level II 2019 – 2023
National Researcher, Level II 2014 – 2018
National Researcher, Level II 2010 – 2013
National Researcher, Level I 2007 – 2009
National Researcher, Candidate Level 2002 – 2004

Research Interests

International Political Economy, including Politics and Financial Markets. Comparative Political Economy, including Subnational Fiscal and Debt Policy, Subnational Political Budget Cycles. Authoritarian Rule, including Authoritarian Participatory Democracy, Subnational Authoritarian Enclaves.

Non-Academic Positions

Analyst, Latin America Practice, Eurasia Group, New York, New York. August 2005 – December 2005, September 2008 – April 2012, based in Mexico City, 20 hours per week; July 2004 – July 2005, based in New York City, 40 hours per week.

Provide 100+ top-tier financial, corporate, and US government clients with comprehensive and tradable research and analysis of political and economic trends and risks in Latin America. Actively support Mexico-specific investment strategies of several financial institutions and multinational corporations. Major contributor to business development through accurately assessing client needs and designing project proposals. Produce written analyses and conduct on site presentations. Manage or work with team of analysts to ensure high quality deliverables.

- Analyze impact of fiscal and structural economic policy reforms in Mexico and their chances of approval, supporting clients in evaluating investment opportunities.
- Analyze complex patterns and trends in Mexican violence, helping both portfolio and foreign direct investors devise their investment strategies.
- Analyze Mexican field level and regional oil production trends to forecast shifts in government oil sector investments, supporting investors' equity strategies.

Director, Emerging Markets, Medley Global Advisors, New York, New York, January 2006 – April 2007, based in Mexico City, 20 hours per week.

Advised financial institutions on Mexican political, economic, and energy policy risk. Initiated coverage of Mexican oil and natural gas production risk. Contributed to the development of the Emerging Markets research platform and client base. Expertise on Mexican hydrocarbons sector frequently requested by equity and fixed income investors to forecast production trends and capital investment shifts.

- Successfully guided clients through 2006 Mexican presidential elections with early prediction of near electoral tie, saving clients from taking unnecessary risks.
- Accurately predicted timing and extent of Mexican oil production losses, helping predict trends in equity and fixed income investment returns.

Non-Academic Consulting

Consultant, Longview Global Advisors, Los Angeles, California, August 2015 and September 2016. Analysis of Mexican political and policy risk for multinational corporations. Based in Mexico City.

Consultant, Inter-American Development Bank, The Latin American Research Network, Political Institutions, Policymaking Processes and Policy Outcomes Project, September 2003 – September 2004. Evaluation of policy-making in Mexico. Based in Mexico City. [<http://www.iadb.org/en/research-and-data/project-details,3187.html?id=82>]

Consultant, Inter-American Development Bank, Red del Gestión y Transparencia del Diálogo Regional de Política, June 15 - December 2, 2002. Evaluation of Mexican public sector employment and

civil service systems. Based in Mexico City. [<https://publications.iadb.org/handle/11319/2246?locale-attribute=en>]

Education

University of California, Los Angeles Ph.D. in Political Science Major Fields: Comparative Politics, Research Methods	2001
University of California, Berkeley B.A. in Political Science High Honors in Political Science, Distinction in General Scholarship Minor: French Literature (Study Abroad: Université de Poitiers, France 1989 – 1990)	1991

Additional Training

University of Essex, Essex Summer School in Social Science Data Analysis Hierarchical Modelling, Spatial Econometrics Web scraping, Quantitative Text Analysis	2021 2020
International Political Science Association (IPSA), Summer School in Concepts, Methods, and Techniques in Political Science and International Relations Survey Research Design, Survey Research Analysis Mixed Methods, Spatial Econometrics Beginning Time Series, Advanced Time Series, Cross-Sectional Time-Series	2018 2017 2016
University of Michigan, Interuniversity Consortium for Political and Social Research (ICPSR) Advanced Linear Regression, Maximum Likelihood Estimation Cross-Sectional Time-Series, Simultaneous Equation Modelling	2003 2003
