

## John Matthew Felder III, M.D., FACS

### Present Position:

Associate Professor of Plastic Surgery, Oakland University William  
Beaumont School of Medicine  
Faculty, Microsurgery Fellowship, Corewell Health William Beaumont  
University Hospital  
Faculty, Plastic Surgery Residency, Corewell Health William Beaumont  
Program  
Faculty, Hand Surgery Fellowship, Michigan Surgery Specialists/St. John

### Past Positions:

Assistant Professor of Surgery  
Division of Plastic and Reconstructive Surgery  
Washington University School of Medicine  
Barnes-Jewish Hospital  
St. Louis, Missouri  
2016-2023

Co-Director, Multidisciplinary Center for Limb Preservation

Department of Surgery  
Divisions of Plastic, Vascular, and Acute Care Surgery  
Washington University in St. Louis School of Medicine  
2020 - 2023

Education:

2009	Baylor College of Medicine Houston, Texas M.D. degree in Medicine Alpha Omega Alpha
2004	University of Oregon B.A. in Spanish & General Sciences

Graduate Hospital Experience:

2009 - 2010	Intern in Surgery, Department of Plastic Surgery, Georgetown University Hospital, Washington, D.C.
2010 - 2015	Resident in Plastic Surgery, Department of Plastic Surgery, Georgetown University Hospital, Washington, D.C. Chair – Scott L. Spear, MD
2015 - 2016	Fellow in Hand Surgery, Microsurgery, and Peripheral Nerve Surgery, Division of Plastic Surgery, Department of Surgery, Washington University, St. Louis, MO. Chief – Susan E. Mackinnon, MD

Licensure:

Washington, District of Columbia; License No. MD 042550  
Missouri; License No. 2015021525  
Illinois; License No. 036.141747  
Michigan; License No. 4301509615

Boards Certification:

American Board of Plastic Surgery  
Board ID #112371. Certification from 11/11/2017 – 12/31/2027

Fellow, American College of Surgeons 2018  
Member ID #03160816

Hospital Appointments:

2015 - 2023	Active Staff, Division of Plastic and Reconstructive Surgery, Department of Surgery, Barnes-Jewish Hospital and St. Louis Children's Hospital
2016 - 2023	Active Staff, Division of Plastic and Reconstructive Surgery, Alton Memorial Hospital, Alton, Illinois

2020 - 2023                      Active Staff, Shriner's Hospital for Children, St. Louis, MO

2023 - present                      Active Staff, Beaumont Royal Oak and Troy Hospitals, Royal Oak, MI

Honors and Academic Recognition:

- Best Clinical Research Paper, Hand/Extremity Session, Midwestern Association of Plastic Surgeons meeting, May 2022
  - "Evaluating GLASS, WIFI, and MAC Scores as Predictors of Free Flap Outcomes in Limb Salvage of Chronic Lower Extremity Wounds"
- Outstanding Resident in Reconstructive Microsurgery, Georgetown University Hospital Plastic Surgery Residency Program, 2015
- Best Clinical Research Paper, American Society for Peripheral Nerve national meeting, 2013
  - "Greater Occipital Nerve Excision for Occipital Neuralgia Refractory to Nerve Decompression"
- Outstanding Hand Surgery Resident, Georgetown University Hospital Plastic Surgery Residency Program, 2013
- Alpha Omega Alpha, Beta Chapter of Texas, Baylor College of Medicine, 2008
- Phi Beta Kappa Honor Society, University of Oregon, 2004

Service Recognition:

- Course President and Director - 9th annual National Oncologic Reconstruction & Microsurgery Course, Dec 9-10, 2022 St. Louis, MO
- Co-Director, Multidisciplinary Center for Limb Preservation, Department of Surgery, Divisions of Plastic, Vascular, and Acute Care Surgery 2020 - July 2023
- "Emerging Leader Award" Alton Memorial Hospital medical staff, 2018
- Operation Smile Resident Leadership Program / Stryker-Reagan Fellowship for mission to Phnom Penh, Cambodia, 2015
- Hugh H. Hussey Residency Award for Excellence in Medical Student Teaching, Department of Surgery, Georgetown University School of Medicine
- String of Pearls Award for outstanding resident teacher in a surgical subspecialty; Georgetown University School of Medicine, 2011

Societies:

- American Association of Plastic Surgeons, 2023 - present
- American Society for Reconstructive Microsurgery, Member, 2019 - present
- St. Louis Society of Plastic Surgeons, Member, 2019 - present
- American College of Surgeons, Member, 2017 - present
- American Society for Peripheral Nerve, Member, 2012 - present
- American Society for Surgery of the Hand, Member, 2014 - present
- American Society of Plastic Surgeons, Member, 2009 - present

Journal Editorial / Review:

- Orthoplastic Surgery: Editorial Board, 2023 - present
- Journal of Surgical Oncology: Reviewer, 2019 - present
- Journal of Hand and Microsurgery: Reviewer, 2022 - present
- Journal of Reconstructive Microsurgery: Reviewer, 2022 - present
- HAND: Reviewer, 2022 - present

**GRANT SUPPORT:**

Skandalaris Center of Washington University LEAP program 2019 - 2020 (\$50,000)  
(Leadership in Entrepreneurial Acceleration Program)  
*“A Barbed Mesh for Sutureless Soft Tissue Fixation”*

Washington University School of Medicine 2020 (\$4,930) JIT 680F  
Institute of Clinical and Translational Sciences  
Just in Time Core Usage Funding Program  
*“Design and Implementation of a Limb Loss Rehabilitation Continuum at Washington University in St. Louis / BJC”*  
In association with Prateek Grover, MD and John Kirby, MD

Washington University School of Medicine 2022 (\$5,000) JIT879  
Institute of Clinical and Translational Sciences  
Just in Time Core Usage Funding Program  
*“The Social Vulnerability Index of Patients Who Undergo Diabetic Foot Amputation”*

Principal Investigator (at Washington University SOM), T-INVENT-001 - Post-Market Clinical Follow-up Registry of Patients Requiring Nerve Gap Repair from Integra

**PATENTS:**

U.S. Non Provisional Patent Application, Serial No. 17/031,133  
“Barbed Mesh for Incision Closure and Hernia Repair:  
Published on March 25, 2021 under Publication No. US-2021-0085441-A1

## **BIBLIOGRAPHY:**

### **I. RESEARCH PRESENTATIONS**

1. Demirtas S, Nageeb E, Lohasammakul S, Felder JM. Hiding in Plain Sight: The Abdominal Donor Site as the New Workhorse for Superthin and Ultrathin Flaps. *World Society of Reconstructive Microsurgery. Barcelona, Spain. April 26, 2025*
2. Nageeb E, Pavuloori M, Saraswat N, **Felder JM**. Subunit Reconstruction of Massive Heel Wounds Using Medial Plantar Artery and Chimeric Thoracodorsal Artery Perforator Flaps. *North American Burn Society (NABS) Annual Meeting. Copper Mountain, CO. February 20, 2024*
3. Saraswat N, Tawaklna K, **Felder JM**: The Ultrathin Parascapular Flap: Proof of Concept and Use for Plantar Foot Reconstruction. *Michigan Academy of Plastic Surgeons. Mackinac Island, MI, August, 2024*
4. Saraswat NB, **Felder JM**: Addressing the Massive Lower Extremity Wound – Elevating Elevator Therapy. *North American Burn Society 42nd Annual Conference. Olympic Valley, CA, March 2024*
5. Tawaklna K, Hong JP, **Felder JM**: The Ultrathin Parascapular Flap: Proof of Concept and Use for Plantar Foot Reconstruction. *World Society for Reconstructive Microsurgery Biannual Meeting. Singapore, August 2023*
6. Orr JP, Schott HR, Chiang SN, Finnan MJ, Skladman R, De Silva GS, Geraghty P, **Felder JM**: Free Tissue Transfer Decreases Lower Extremity Amputation Risk Scores in Patients with Peripheral Vascular Disease. *Midwestern Association of Plastic Surgeons Annual Meeting, Lake Geneva, Wisconsin, July 2023*
7. Tawaklna K, **Felder JM**: Identifying Patterns of Calcification in Flap and Recipient Vessels Among Patients with Peripheral Vascular Disease. *Midwestern Association of Plastic Surgeons Annual Meeting, Lake Geneva, Wisconsin, July 2023*
8. Skladman R, Shacham E, Scroggins S, **Felder JM**: Race and Social Vulnerability Impact Lower Extremity Amputation Rates in the St. Louis Metropolitan Area. *James Barrett Brown Resident Research Symposium, St. Louis, Missouri, June 2023*
9. Orr JP, Schott HR, Pan D, Skladman R, De Silva GS, Geraghty PJ, MD; **Felder JM**: Standardized vascular grading tools strongly predict failure of diabetic limb salvage. *James Barrett Brown Resident Research Symposium, St. Louis, Missouri, June 2023*
10. Tawaklna K, **Felder JM**: Identifying Patterns of Calcification in Flap and Recipient Vessels Among Patients with Peripheral Vascular Disease. *American Society for*

*Reconstructive Microsurgery Annual Meeting, Miami, FL, January 2023*

11. **Felder JM**, Schott HR, Skladman R, De Silva G, Geraghty P: Vascular Staging Tools Predict Morbidity and Mortality in Lower Extremity Salvage with Free Tissue Transfer. *American Society for Reconstructive Microsurgery Annual Meeting, Miami, FL, January 2023*
12. Geraghty PJ, Schott HR, **Felder JM**: Evaluating The Use Of Glass, Wifi And MAC Scores As Predictors Of Limb Salvage . *Midwestern Vascular Surgical Society Annual Meeting, Grand Rapids, Michigan, September 2022.*
13. Phillips B, **Felder JM**, Shuck, J: Down with the Bean Bag: A multi-institutional experience with total latissimus muscle free flap harvest in the supine position. *North Carolina Society of Plastic Surgeons Annual Meeting, Pinehurst, NC, October 2022*
14. Tawaklna K, **Felder JM**: Mapping Calcification Patterns in Flap and Recipient Vessels. *James Barrett Brown Resident Research Symposium, St. Louis, Missouri, June 2022*
15. Giatsidis G, **Felder JM**: A non-invasive point-of-care tool for anatomical mapping of the superficial venous system in the superficial circumflex iliac artery perforator flap and preoperative planning. *James Barrett Brown Resident Research Symposium, St. Louis, Missouri, June 2022*
16. **Felder JM**: Successful Traumatic Limb Reconstruction with Three Free Flaps Connected in Series to a Single Recipient Artery and Vein. *European Association of Plastic Surgeons, Naples, Italy, May 2022.*
17. Schott HR, **Felder JM**: Vascular Staging Tools as Predictors of Morbidity and Mortality in Microsurgical Lower Extremity Salvage. *World Society of Reconstructive Microsurgery, Cancun, Mexico, June 2022.*
18. Schott HR, Chiang SN, Skladman R, De Silva GS, Geraghty PJ, **Felder JM**: Evaluating GLASS, WIFI, and MAC Scores as Predictors of Free Flap Outcomes in Limb Salvage of Chronic Lower Extremity Wounds. *Midwestern Association of Plastic Surgeons, Chicago, Illinois, May 2022.*
19. **Felder JM**, Ducic I: Patient Reported Quality of Life with Nerve Injuries and the Impact of Delayed Referral to a Nerve Surgeon. *Federation of European Societies for Surgery of the Hand. Online (during COVID-19 pandemic), June 17, 2021.*
20. **Felder JM**, Ducic I: Patient Reported Quality of Life with Nerve Injuries and the Impact of Delayed Referral to a Nerve Surgeon. *American Society for Peripheral Nerve national meeting. Online (during COVID-19 pandemic), January 2021.*
21. Ha AY, Effendi M, **Felder JM**: “Two Birds with One Stone”: Foot Salvage with

- Flow-Through Flaps and Selective Arterialization of Pedal Venosomes. *Missouri Chapter of American College of Surgeons, Lake of the Ozarks, MO, May 2019.*
22. **Felder JM**, Power H, Hill E, Hasak J, Mackinnon SE: Side to Side Nerve Grafts to Enhance Sensory Recovery in Complex Ulnar Neuropathy. *American Society for Peripheral Nerve, Phoenix, AZ, January 2018.*
  23. **Felder JM**, Khan N, Youn S, Ducic I: Greater Occipital Nerve Excision for Occipital Neuralgia Refractory to Nerve Decompression. *Northeastern Society of Plastic Surgeons, Washington, DC, September 2013.*
  24. **Felder JM**, Zakaria H, Fantus S, Ducic, I: Abdominoplasty-Related Nerve Injuries: Systematic Review and Treatment Options. *Northeastern Society of Plastic Surgeons, Washington, DC, September 2013.*
  25. **Felder JM**, Baker SB, Pasick C: Alar Width: Refining Norms to Ideals. *The Rhinoplasty Society meeting, New York, NY, April 2013.*
  26. **Felder JM**, Khan N, Youn S, Ducic I: Greater Occipital Nerve Excision for Occipital Neuralgia Refractory to Nerve Decompression. *American Society for Peripheral Nerve, Naples, FL, January 2013.*
  27. Iorio ML, **Felder JM**, Ducic I: An Algorithm for Reconstruction of Upper Extremity Peripheral Nerve Gaps. *American Society for Peripheral Nerve, Las Vegas, NV, January 2012.*
  28. Endara MR, **Felder JM**, Beydoun A, Ducic I: The Surgical Management of Chronic Pain Following Acoustic Neuroma Resection: A Novel Approach. *Northeastern Society of Plastic Surgeons, Amelia Island, FL, October 2011.*
  29. **Felder JM**, Hechenbleikner L, Jeng J, Jordan M: Increasing the options for management of large and complex chronic wounds with a scalable, closed-system dressing for maggot therapy. *Hufnagel Research Forum & Simonian Clinical Presentation, Washington, DC, June 2011.*
  30. Ducic I, Iorio M, **Felder JM**: Modified Approach for Lateral Femoral Cutaneous Nerve Decompression in Patients with Meralgia Paresthetica. *American Society for Reconstructive Microsurgery, Cancun, Mexico, January 2011.*
  31. Roth FS, **Felder JM**, Friedman J.: Breast Capsulectomy Specimens and Their Clinical Implications. *American Association of Plastic Surgeons, Rancho Mirage, CA, March 2009.*

## II. VISITING PROFESSOR

1. Eastern Virginia Medical School integrated plastic surgery residency grand rounds. University of Nebraska Medical Center division of plastic surgery grand rounds. *“Lower Extremity Reconstruction in the Setting of Diabetes and PVD: New Concepts for a Stepwise Approach.”* Norfolk, VA, August 20, 2025
2. Corewell Health West/Spectrum health division of plastic surgery residency program grand rounds. *“An Organized Approach to Free Flap Reconstruction in Non-Traumatic Lower Extremity Wounds.”* Grand Rapids, MI, April 17, 2024
3. Corewell Health West/Spectrum health division of plastic surgery residency program grand rounds. *“Optimizing extremity free flap outcomes and donor sites by engineering ultrathin flaps.”* Grand Rapids, MI, April 17, 2024
4. Emory University division of plastic surgery grand rounds. *“Patient Selection in Microsurgical Diabetic and Vasculopathic Limb Salvage Surgery.”* April 14, 2023
5. Emory University division of plastic surgery grand rounds. *“An Algorithmic Approach to Flap Selection in Complex Microsurgical Lower Extremity Reconstruction.”* April 14, 2023.
6. Loyola University division of plastic surgery grand rounds. *“How to Love Your Job as a Plastic Surgeon.”* July 8, 2020
7. Loyola University division of plastic surgery grand rounds. *“Lower Extremity Reconstruction in the Setting of Peripheral Vascular Disease.”* May 20, 2020
8. Emory division of plastic surgery grand rounds. *“Comprehensive Management of Cutaneous Squamous Cell Carcinoma Without a Mohs surgeon.”* March 27, 2020
9. Emory division of plastic surgery grand rounds. *“How to Love Your Job as a Plastic Surgeon.”* March 27, 2020.

### III. INVITED NATIONAL / INTERNATIONAL PRESENTATIONS

1. **Felder JM.** “Reconstruction of the Most Challenging Lower Extremity Defects: How I Do It.” *Korean Society of Plastic Surgeons.* Seoul, Korea. November 11, 2025.
2. **Felder JM.** “Beyond the SCIP flap: New Superthin and Ultrathin Free Flaps for Extremity Reconstruction.” *Korean Society of Plastic Surgeons.* Seoul, Korea. November 10, 2025.
3. **Felder JM.** “Lower Extremity Reconstruction in the Setting of Diabetes and PVD: New Concepts for a Stepwise Approach.” International Microsurgery Club webinar, August 17, 2025
4. **Felder JM.** “An Evidence Based Algorithm for Flap Reconstruction in the Diabetic

Limb.” *Diabetic Limb Salvage*. Washington, DC. April 11, 2025.

5. **Felder JM.** “Beyond the SCIP flap: New Superthin and Ultrathin Free Flaps for Complex Extremity Reconstruction in the Obese.” *American Society for Reconstructive Microsurgery*. Waikoloa Village, HI. January 21, 2025.
6. **Felder JM.** “Combining Supermicro and Traditional Microsurgery - Zen in Extremity Reconstruction.” *American Society for Reconstructive Microsurgery*. Waikoloa Village, HI. January 20, 2025.
7. **Felder JM.** “Sciatic Nerve Injuries: Complex Reconstruction Vs. Nihilism.” *American Society for Peripheral Nerve*. Waikoloa Village, HI. January 19, 2025.
8. **Felder JM.** “Versatility in Extremity Reconstruction” *Oncologic Reconstruction Course*. Charlottesville, VA. December 7, 2024.
9. **Felder JM.** “Beyond the SCIP Flap - New Superthin and Ultrathin Flaps for Extremity Reconstruction” *International Surgical Academy*. Osejik, Croatia. October 26, 2024.
10. **Felder JM.** “A Comprehensive Reconstructive Approach to Complex Lower Extremity Wounds in Diabetes and PVD” *International Surgical Academy*. Osejik, Croatia. October 26, 2024.
11. **Felder JM.** “Pushing the Limits of Microsurgery in the Foot and Ankle” *Diabetic Limb Salvage*. Washington, DC. April 14, 2024.
12. **Felder JM.** “New Hope for the Unsalvageable Foot: Microvascular Distal Foot Arterialization with Flow-Through Free Flaps” *VEITH International Symposium*. New York, NY. November 14, 2023.
13. **Felder JM.** “Orthoplastics: State of the Union.” *American Society of Plastic Surgeons*. Austin, TX. October 26, 2023.
14. **Felder JM.** “Lower Extremity Flap Reconstruction in 2023: Evolving Towards Perfection.” *American College of Surgeons Clinical Congress*. Boston, MA. October 23, 2023
15. **Felder JM.** “Serving up Solutions: Free Tissue Transfer a la Felder.” *23rd Edition of the Interdisciplinary Global Diabetic Foot Conference / American Limb Preservation Society*. Anaheim, CA. September 29, 2023.
16. **Felder JM.** “The Medial Plantar and Reverse Sural Flaps.” *Duke Flap Course*. Raleigh-Durham, NC. August 2023.
17. **Felder JM.** “To Flap or Not to Flap? Patient Selection is the Key to Success.” *Symposium on Advanced Wound Care / Diabetic Limb Salvage Annual National Meeting*. Washington, DC. April 27, 2023.

18. **Felder JM.** “Neuromas: When to TMR, When to RPNI, When to do Nothing?” *American Academy of Orthopaedic Surgeons Annual Meeting*. Las Vegas, NV. March 11, 2023.
19. **Felder JM.** “Hitting Rock Bottom: Dealing With Tough Losses in Microsurgery.” *American Society for Reconstructive Microsurgery Annual Meeting*, Miami, FL. January 23, 2023.
20. **Felder JM.** “Fundamentals of Microsurgery.” *National Oncologic Reconstruction Course*, St. Louis, MO. Dec 10, 2022
21. **Felder JM.** Course director and course president - *National Oncologic Reconstruction Course*, St. Louis, MO. Dec 10, 2022
22. **Felder JM, Geraghty PJ.** “Vascular Staging Tools as Predictors of Morbidity and Mortality in Lower Extremity Salvage with Microsurgical Free Tissue Transfer.” *VEITH International Symposium*, New York, NY. November 15, 2022.
23. **Felder JM.** “An Algorithmic Approach to Microsurgical Lower Extremity Reconstruction in Complex Cases .” *Brazilian Society for Surgery of the Hand Regional Meeting*. Belo Horizonte, Brazil. October 19, 2022.
24. **Felder JM.** “Distal Nerve Transfers for the Upper Extremity: How I do it.” *Brazilian Society for Surgery of the Hand Regional Meeting*. Belo Horizonte, Brazil. October 19, 2022.
25. **Felder JM.** “Distal Foot Arterialization with Flow Through Flaps: Achieving Limb Salvage in the Setting of the Ischemic Forefoot.” *International Microsurgery Innovations monthly conference*. Online / St. Louis. July 6, 2022.
26. **Felder JM.** “Complex wounds: From dressings to composite free flaps.” *Croatian Society of Plastic Surgery*. Dubrovnik, Croatia. May 6, 2022.
27. **Felder JM.** “Nerve transfers: Taking nerve surgery to the next level.” *Croatian Society of Plastic Surgery*. Dubrovnik, Croatia. May 6, 2022.
28. **Felder JM.** *Panel Moderator: Reconstructive Surgery Session II. Croatian Society of Plastic Surgery*. Dubrovnik, Croatia. May 6, 2022.
29. **Felder JM.** “Lower Extremity Reconstruction.” *Oncologic Reconstruction Course*. Nashville, TN. Dec 3, 2021
30. **Felder JM.** “Thinking Outside the Box: Creativity for Complex Soft Tissue Problems.” *Diabetic Limb Salvage Conference*. Washington, DC. April 30, 2021.
31. **Felder JM.** *Panel moderator and presenter: “Pedicled perforator flaps, propeller flaps, and keystone flaps - and don’t bring a microscope!” Plastic Surgery The Meeting 2021*

- (*American Society of Plastic Surgery National Meeting*). Atlanta, GA. October 29, 2021
32. **Felder JM.** *Panelist / presenter:* “Innovations in TMR and Prosthetics for the Lower Extremity.” *Plastic Surgery The Meeting 2021 (American Society of Plastic Surgery National Meeting)*. Atlanta, GA. October 29, 2021
  33. **Felder JM.** “The Role of Plastic Surgery in Limb Preservation.” *Wounds Canada 2021*. Online (*During COVID-19 Pandemic*). May 28, 2021
  34. **Felder JM.** “Surgical Aspects of Osseointegration for Transfemoral Amputees.” *American Association of Nurse Life Care Planners National Meeting*. Online (*During COVID-19 Pandemic*). May 23, 2021.
  35. **Felder JM.** “Targeted Muscle Reinnervation: A Surgical Option for the Treatment of Neuroma Pain and Phantom Pain.” *Brazilian Society for Surgery of the Hand Regional Course (MG-ES)*. Online (*during COVID-19 pandemic*). Dec 3, 2020.
  36. **Felder JM.** (Panelist). Roundtable: Traumatic Peripheral Nerve Lesions. *Brazilian Society for Surgery of the Hand Regional Course (MG-ES)*. Online (*during COVID-19 pandemic*). Dec 3, 2020.
  37. **Felder JM.** “Distal Nerve Transfers for the Hand.” *Brazilian Society for Surgery of the Hand Regional Course (MG-ES)*. Online (*during COVID-19 pandemic*). Dec 3, 2020.
  38. **Felder JM.** “Treatment Options for Nerve Gaps.” *Brazilian Society for Surgery of the Hand Regional Course (MG-ES)*. Online (*during COVID-19 pandemic*). Dec 3, 2020.
  39. **Felder JM.** (Panelist). Roundtable: Cutaneous Coverage in the Extremity. *Brazilian Society for Surgery of the Hand Regional Course (MG-ES)*. Online (*during COVID-19 pandemic*). Dec 3, 2020.
  40. **Felder JM, Skladman R, Grover P, Kirby JP:** “Limb Restoration” In: “Limb Loss Preservation-Restoration-Rehabilitation Continuum Design, Development, and Implementation,” Symposium. *American Congress of Rehabilitation Medicine National Meeting*. Online (*during COVID-19 pandemic*). October 23, 2020.
  41. **Felder, JM.** “Innovations in Limb Loss Rehabilitation - The Surgical Perspective.” *Innovations in Limb Loss Rehabilitation Instructional Course. American Congress of Rehabilitation Medicine, National Meeting, Online (during COVID-19 pandemic), Oct 20, 2020*
  42. **Felder, JM.** *Panelist / presenter:* “Tendon Transfers for Median Nerve Palsies.” *American Society of Plastic Surgeons*. Chicago, Ill, Sept 2018.
  43. **Felder, JM.** “Surgical Management of Migraine Headaches.” *Updates in Nerve Surgery - 8th Annual Conference, Plastic & Burn Surgery Department Al-Azhar University /*

- Egyptian Society of Plastic & Reconstructive Surgeons; Reconstructive Microsurgery Chapter.* Cairo, Egypt. April 11-12, 2018.
44. **Felder, JM.** "Introduction and Indications for Nerve Transfers." *Updates in Nerve Surgery - 8th Annual Conference, Plastic & Burn Surgery Department Al-Azhar University / Egyptian Society of Plastic & Reconstructive Surgeons; Reconstructive Microsurgery Chapter.* Cairo, Egypt. April 11-12, 2018.
45. **Felder, JM.** Reconstructive Strategies for Brachial Plexus Injuries. *Updates in Nerve Surgery - 8th Annual Conference, Plastic & Burn Surgery Department Al-Azhar University / Egyptian Society of Plastic & Reconstructive Surgeons; Reconstructive Microsurgery Chapter.* Cairo, Egypt. April 11-12, 2018.
46. **Felder, JM.** Strategies for Management of Neuroma Pain. *Updates in Nerve Surgery - 8th Annual Conference, Plastic & Burn Surgery Department Al-Azhar University / Egyptian Society of Plastic & Reconstructive Surgeons; Reconstructive Microsurgery Chapter.* Cairo, Egypt. April 11-12, 2018.
47. **Felder, JM.** Nerve Transfers for Upper Plexus Injuries. *Updates in Nerve Surgery - 8th Annual Conference, Plastic & Burn Surgery Department Al-Azhar University / Egyptian Society of Plastic & Reconstructive Surgeons; Reconstructive Microsurgery Chapter.* Cairo, Egypt. April 11-12, 2018.
48. **Felder, JM.** Nerve Transfers for the Lower Extremity. *Updates in Nerve Surgery - 8th Annual Conference, Plastic & Burn Surgery Department Al-Azhar University / Egyptian Society of Plastic & Reconstructive Surgeons; Reconstructive Microsurgery Chapter.* Cairo, Egypt. April 11-12, 2018.
49. **Felder, JM.** Cirugía del Plexo Braquial Adulto: Indicaciones, Contraindicaciones y Prioridades. *Congreso Anual de Ortopedia y Traumatología, Hospital Pablo Arturo Suárez. Curso Avanzado de Cirugía de la Mano.* Quito, Ecuador. August 5, 2017
50. **Felder, JM.** Transferencia Nerviosa Distal: Nervio Mediano. *Congreso Anual de Ortopedia y Traumatología, Hospital Pablo Arturo Suárez. Curso Avanzado de Cirugía de la Mano,* Quito, Ecuador. August 5, 2017
51. **Felder, JM.** Transferencia Nerviosa Distal: Nervio Cubital. *Congreso Anual de Ortopedia y Traumatología, Hospital Pablo Arturo Suárez. Curso Avanzado de Cirugía de la Mano.* Quito, Ecuador. August 5, 2017
52. **Felder, JM.** Colgajos para Cabeza, Cuello, y Tronco. *Congreso Anual de Ortopedia y Traumatología, Hospital Pablo Arturo Suárez. Curso Avanzado de Cirugía de la Mano.* Quito, Ecuador, August 5. 2017

#### IV. INVITED LOCAL/REGIONAL PRESENTATIONS

1. **Felder JM.** An Overview of Flaps in Orthoplastic Reconstruction. *Corewell Health East Department of Orthopedics Grand Rounds, Royal Oak, MI, August 22, 2025*
2. **Felder JM.** Orthoplastic Surgery in Michigan: Where Do We Go From Here? *Corewell Health Orthoplastic Limb Salvage Symposium, Birmingham, MI, December 14, 2024*
3. **Felder JM.** How to Love Your Job as a Plastic Surgeon. *Michigan Academy of Plastic Surgeons, Mackinac Island, MI, August 2, 2024*
4. **Felder JM.** Untangling Complex Problems with Simple Research. *Michigan Academy of Plastic Surgeons, Mackinac Island, MI, August 4, 2024*
5. **Felder JM.** Chasing Perfection in Extremity Reconstruction: Engineering Flaps and Recipient Vessels to Optimize Donor Sites and Outcomes. *Michigan Academy of Plastic Surgeons, Mackinac Island, MI, August 4, 2024*
6. **Felder JM.** Free Functional Gracilis Muscle Opponensplasty: Indications and Long-term Outcomes. *Michigan Academy of Plastic Surgeons, Mackinac Island, MI, August 4, 2024*
7. **Felder JM.** Chasing Perfection in Extremity Reconstruction: Engineering Flaps and Recipient Vessels to Optimize Donor Sites and Outcomes. *Midwestern Association of Plastic Surgeons, Chicago, IL, May 11, 2024*
8. **Felder JM.** The Modern Surgical Approach to Amputations. *Corewell Health East William Beaumont University Hospital PM&R Departmental Grand Rounds, Royal Oak, MI, March 4, 2024.*
9. **Felder JM.** The Surgical Approach to Limb Loss: What I Wish Every Surgeon Knew About Lower Extremity Amputations. *Washington University SOM PM&R Departmental Grand Rounds, St. Louis, MO, February 2, 2023.*
10. **Felder JM.** An Algorithmic Approach to Lower Extremity Reconstruction in the Setting of Diabetes and Peripheral Vascular Disease. *Washington University SOM Plastic Surgery Divisional Grand Rounds, St. Louis, MO, August 31, 2022.*
11. **Felder JM.** Reconstruction of Problematic Skin Cancer Defects. *Washington University SOM Plastic Surgery Divisional Grand Rounds, St. Louis, MO August 3, 2022.*
12. **Felder JMI.** Targeted Muscle Reinnervation: Improving Pain and Function in Amputees. *Plastic Surgery / Vascular Surgery Joint Divisional Grand Rounds, St. Louis, MO June 8, 2022.*

13. **Felder JM.** Diabetic Limb Salvage - The Role of Flaps. *Barnes-Jewish Hospital Perioperative Services Grand Rounds, St. Louis, MO August 11, 2022.*
14. **Felder JM.** Moderator: Abstract Session 6: Hand/Extremity . *Midwestern Society of Plastic Surgery.* Chicago, Illinois. May 21, 2022.
15. **Felder JM.** An Algorithmic Approach to Lower Extremity Reconstruction in the Setting of Diabetes and Peripheral Vascular Disease. *St. Louis University Plastic Surgery Divisional Grand Rounds, St. Louis, MO, September 12, 2021*
16. **Felder JM.** A Case-Based Approach to Management of Skin Cancer. *Washington University SOM Plastic Surgery Divisional Grand Rounds, St. Louis, MO August 18, 2021.*
17. **Felder JM.** Surgical Perspectives on Amputation. *Washington University SOM PM&R Departmental Grand Rounds, St. Louis, MO, August 6, 2021*
18. **Felder JM, Snyder-Warwick A.** Restoring Voluntary Urine Voiding Using a Latissimus Dorsi Muscle Free Flap for Bladder Reconstruction. *Washington University SOM Urology Divisional Grand Rounds, St. Louis, MO April 29, 2020.*
19. **Felder, JM.** Working Together: New and Old Ways for Vascular and Plastic Surgery to Work Collaboratively in Limb Salvage. *Washington University SOM Vascular Surgery Divisional Grand Rounds, St. Louis, MO, April 27, 2020.*
20. **Felder, JM.** Surgical Techniques in Trans-Tibial Amputation: Osteomyoplastic and Targeted Muscle Reinnervation. *Washington University SOM Physical Medicine and Rehabilitation Departmental Grand Rounds, St. Louis, MO, January 31, 2020.*
21. **Felder, JM.** Surgical Techniques in Trans-Tibial Amputation: Osteomyoplastic and Targeted Muscle Reinnervation. *Hanger Clinic Course on Elevated Vacuum Sockets for Transtibial Amputees, Hanger Clinic, St. Louis, MO, February 12, 2020*
