LETTER FROM THE PRESIDENT-TARRANT COUNTY ENA

I would like to first thank each of you for the work you do and your dedication to our profession. The last 2 years have been challenging even more with restrictions and altered practices we have all experienced with the pandemic and variances that have affected not only our practice but everyday lives.

In hopes that 2022 will allow us to be social with our activities again, I and your BOD are looking forward to having our meetings in person with CEU's and dinners as in the past. With that in mind, please refer to the website: tcena.org for local meetings and activities and please join us on the first Tuesday evening of each even month throughout the year. Our chapter is planning fund raising, community service and other social activities which we need volunteers to help. We are also planning specific educational events/symposiums. How would you like to help with the Golf Challenge or a golf tournament? COME JOIN US!!

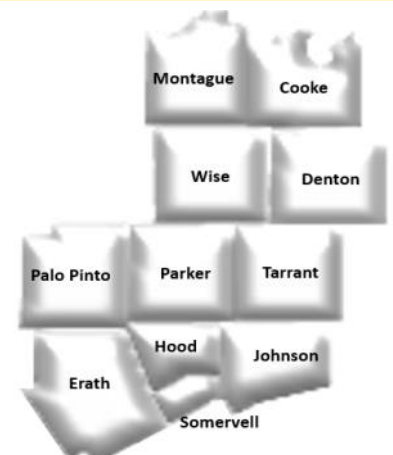

The Texas ENA state meeting is the weekend of April 7-9 at the Hilton in Arlington with activities and dinners on Thursday and Friday nights with a Texas Ranger's watch party. Please join us for the state meetings and social activities that are provided by the state and local ENA. See the state website for details: txena.org under the meetings tab. COME JOIN US!!

National ENA this year is in Denver, CO and it will be in person event as well. Consider attending this huge annual national event for the most up to date information and education for emergency nursing care. Save the dates for the annual meeting: September 30 – October 3, 2022
My challenge to you.... COME JOIN US!
